Can't attend the sale in person? - BID ONLINE!!

We are excited about being able to broadcast the sale via high-speed internet. Pre-registered bidders from around the world will be able to watch from home, follow the action live, and buy online. If you have dial-up internet, you will be able to watch the sale on your computer, but because of the slower connection, the delay does not allow time to keep up with the bidding. Prospective buyers need to **pre-register before April 18th** at **www.dvauction.com**. There will be a \$25 pay per view and a 3% fee added to the buyer's premium to the purchase of each horse bought online or by phone. Successful bids are required to be wired to our bank on Monday morning following the auction.

PITZER RANCH SALE GUIDELINES

Please read and familiarize yourself with these 2 pages

Pitzer Ranch, its associates and the auctioneers' function is to bring the buyer and seller together.

All responsibilities and guarantees lie between the buyer and seller.

All buyers must pre-register in the sale office.

Bank name, Address and Drivers License will be required to obtain a Buyer's Number.

EXAMINE HORSES PRIOR TO PURCHASING
(be sure to attend the previews, look your choices over, and ask any questions you may have)

1. Persons planning to purchase horses in this sale for the first time should present letters of credit from their banks if personal checks are used in payment. Anyone with account problems with Pitzer Ranch in the past will be required to pay for their horses with cash.
2. There is no implied warranty made by auctioneer or sale company as to the merchantability or fitness for a particular purpose of any animal in the sale.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute as he sees fit is reserved by the auctioneer and the decisions shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. The auctioneer reserves the right to reject any or all bids.
4. The Sales Management is not responsible for the integrity of any specific bid and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the Sales Management responsible and agrees not to sue the Sales Management therefore.
5. All horses are offered for sale according to the laws of the State of Nebraska and the right to bid is reserved for all sellers at the sale unless otherwise announced.
6. Effort has been made to insure correctness of this catalog and, in most cases, information quoted concerning the horses is taken from the official AQHA records. However, employees and auctioneers will not assume responsibility for errors or omissions, but appreciate having them called to their attention. Announcements in the ring take precedence over printed information. **Pay close attention to the announcements.**
7. The seller is the responsible party for all representations or warranties, expressed or implied concerning the condition of any horse and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pitzer Ranch Sales to include but not limited to the following: 1. Title of the animal, free from all adverse claims to ownership, use or possession. 2. The animal is sound of eyes and wind. 3. The animal is not a cribber or wind sucker. 4. The animal does not or has not been nerved, or have a hard bone condition causing lameness that makes the horse lame during the two weeks before the checks go out to the consignors. 5. The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at the time of sale. 6. Any animal which, at the time of sale is described as a stud or colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to Jan. 1 of his yearling year. 7. The horse does not possess the defect commonly known as parrot mouth. If any conditions are announced, the consignor is held harmless for the condition.
8. All guarantees are made by the owner. Make sure to call ahead with questions, take advantage of the previews and pre-inspect horses prior to purchasing as title passes as horse leaves the ring. Right of recourse must be directly to the owner of the horse.
9. All horses have been Coggins tested and found negative within six months of the sale date unless announced differently. Coggins papers given to buyers after horses are paid for.
10. In the event a dispute should arise as to a particular defect which should have been, but was not announced as described above, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and Pitzer Ranch is to be notified before the checks are mailed. If the purchaser's veterinarian determines the horse to have alleged defect, the Sales Management, as agent, shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If Pitzer's veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Pitzer Ranch is final.
11. If the buyer rightfully rejects the animal in the manner stated in #10, the animal will be returned by the buyer to the consignor and the full purchase price of the animal will be refunded.
12. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as is and without return privileges, unless otherwise specified.
13. Sale of a horse is completed by the auctioneer and title passes when the horse leaves the sale ring. When a buyer settles in the sales office to clear paperwork and receive loadout slips, make sure the name, address, phone and AQHA information is filled out exactly as registration papers are to be transferred or office cannot be responsible for errors that may occur in transfer of ownership.
14. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer and sale attendees further agree to hold the consignor and Pitzer Ranch harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by themselves, their agents or employees, or by the animal, subsequent to the time of purchase.

No horse will leave until final settlement has been made.

15. Buyers and spectators are cautioned to be careful while on the grounds, particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. According to the laws of the State of Nebraska, neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during, or after the sale.
16. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their receipts. Buyers must make arrangements for care of stock until it can be removed. Buyer will need to use the "pink slip" to be released to load. Do not remove hip numbers from horses once they are applied. Buyer releases will be checked against hip numbers and no horse will be released without a legible hip number.
17. Driver's license will be required to obtain a buyer's number. Payment terms for this sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be U.S. Currency. Method of payment shall be Cash, Cashier's Check, Traveler's Checks, or approved bank check which has been verified and approved in advance by cashier and/or officers of Pitzer Ranch. All payments must be made to Pitzer Ranch. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.
 No Re-Deposits: Anyone issuing us an insufficient fund check for a horse will run the risk of having their name printed in our mailing of 10,000 catalogs and flyers. The size of a NSF horse payment check classifies as a felony and it will be turned over to the District Attorney for immediate prosecution. All past buyers who have passed a "returned check" to the Pitzer Ranch will be required to pre-pay for their purchases or pay in cash.
18. All registration papers will be withheld until funds clear the bank. 14 days from the date of the sale the registration papers, along with transfer certificates, will be mailed directly to AQHA for transfer of ownership to the new buyer. Checks for payment will be mailed to the sellers on that same date. Disputes and returns between buyer and seller need to be completed by that date.
19. Buyers will pay the AQHA \$40.00 transfer fee. All buyers will be charged the current rate of sales tax on any purchase, unless a tax number is given and the proper form is filled out at the office. You will be asked for your current AQHA membership number. Persons not having a current membership can either purchase one directly from AQHA or buy one at the time of payment for purchases.
20. Any horse not consigned to the sale and found on the grounds will be assessed a \$200 fee and will go through the auction at the end of the sale. A release for this horse will not be issued until these terms are met. No horse will be let out the gate without a hip number and release issued through the office.

TWO EYED JACK

**The Leading Sire of AQHA Champions
In the entire Quarter Horse Industry**

TWO EYED JACK is the leading sire of the Quarter Horse breed. Of the 1416 foals sired by "Jack," nearly 40% were shown. One in every 3.7 earned points. He is the #1 Leading Sire of 119 Open AQHA Champions and his record will probably never be broken. The second leading sire was POCO PINE with 37.

TWO EYED JACKS have proven themselves as the most versatile line in the breed. His get have earned over 37,000 AQHA Points. They were earned 52% in performance and 48% in halter classes. Disposition was one of the major factors in the success of his get. It was such that they would do anything that the rider was capable of. From the novice to the pro, everyone can get along with a "Jack."

Even in his old age, TWO EYED JACK was still good on his legs. It's this type of soundness and disposition that established the foundation of the Quarter Horse breed and made TWO EYED JACK, his get, and their owners #1 on AQHA lists.

Welcome!

We appreciate your interest in the 2024 Pitzer Ranch Spring Sale!

The western horse industry is continuing it's upward trend. The rope horse sector is taking off in a way that hasn't been seen before. New stallion incentives, the money available at new events and the lower supply of highly reliable, seasoned horses makes for big opportunity.

The horse breeding industry is advancing at a rapid rate. The gaps between the stud and mare prices are narrowing. Owners are realizing a good female can be a major asset to their program with the advancements in the repro world. They can take their top performing mare and win on her over the weekend and flush or ICSI her to a big time stud during the week. Advancing their program and giving their families something to be a part of while mom or dad is competing. That recip mare or retired performance mare carrying the next generation is giving the industry a whole new future. Breeders now have access to world class genetics and technology, which in turn will only promote better horses. Pedigrees matter, high quality matters and with breeders getting incentivized to raise better horses each year, the horse flesh is going to keep on improving.

AQHA is now able to track rope horse earnings. You will notice a new look to our catalog. We have accessed the QDATA base and Robin Glenn pedigree program to accurately advertise performance records. This will put huge value into a horse that a few years ago had few ways of proving their success outside of AQHA Events. Stallion incentives like the HPI, Riata Buckle, Royal Crown and the American Rope Horse Futurity Association's "Top Gun Stallion Incentive", will give breeders even more reasons to choose stallions who have been paid into the programs. There are literally millions of dollars available to Ropers who are willing to compete on a horse sired by one of those paid-up sires.

This sale has some real, high quality, broke horses that can go and compete for the millions available. The young prospects consigned are some of the best quality that have been offered in recent memory.

Come out for the Sale Performance Preview on Friday the 26th. We will start at 1pm and go until everyone is done. Fam the next morning we will have a short preview again with the auction to start at 9am. Be sure to bring your catalog to the sale and find a good seat! There are high quality horses offered clear up to the very end.

Don't forget to make plans for our big event in September! The always exciting HPI competition will be going on its 14th year Wednesday, September 4th and the Fall Sale the 6th & 7th is sure to be full of quality horses that are eligible to win a whole lot of money!

Again, Welcome to the Pitzer Ranch Spring Sale and Thank You for your interest!

-The Pitzer Ranch Crew

NOTES: "CJ" is an attractive 8 year old 14.3+ hand HP branded gelding with a lot of shape. We purchased CJ on the Pitzer ranch sale as a weanling. He has a nice handle and is fun to ride. We have used him for everything from trail riding, ponying colts, brandings and competed on him in the roping arena. He is a finished switch end head and heel horse with plenty of run/rate and is great in the box. I am a #4 and think he would fit 4 and up. We have competed on him in several ropings including the Riata in 2022 making the short round in the 10.5 heeling. We also competed on him in the HPI all events all 3 years of his eligibility, placing in the heeling while being consistent in all other

events. This one is hard to let go. We have his mother and too many younger ones at home that need time on them. He is sound and sane, rope 1 or a 100, he has always been the same. NOTES: NOTES: Dusty is a big good-looking gelding with all the chrome a person could ask for. We have used Dusty extensively on the ranch dragging calves, gathering big pastures and everything in between. He is well started in the arena and is making a neat head horse. He scores, runs to the same spot, has a fancy move and finishes fast. Dusty will stay gentle with ample time off. He is not one to get hot or up in the bridle. He is fancy broke. Dusty will turn around and drag his butt. We are excited to bring horse like him to the Pitzer sale. We welcome you to come try him at our place and encourage pre-purchase exams. Be watching for videos on social media @wilsoncattle. NOTES: Matlock has been my main stallion and has been the best horse I've ever owned. He is extremely athletic and he passes that on to his offspring. Half my herd will be made up of his daughters and that's the ONLY reason I'm selling him. I normally just pasture breed with him and he does a really good job of settling mares. You can hand breed with him also. Matlock was never shown only because I never rounded up the money to do it.
