and includes racing results and performance information on file as of that date. In some cases, races run immediately preceding the above date are not included do to the normal data processing time interval.

Due to the limitation of time and space, the information contained on the catalog page regarding any individual is merely a synopsis of that animal's pedigree, family, and race record, and is presented herein based on traditional cataloging standards as representational of that individual.

In addition, this catalog includes some information not normally provided under traditional cataloging standards for Quarter Horses, as well as performance of thoroughbreds that is at variance with the cataloging standards approved by the North American Subcommittee of the International Cataloging Standards Committee. These additions, illuminations, and variations include:

All American F.-G1).
2. **Thoroughbred Black Type:** Stakes races run after January 1, 1986 with added-money of less than \$15,000 are not granted "black-type" in those Thoroughbred catalogs conforming to the rules of the International Cataloging Standards Committee. That value was raised to \$20,000 on January 1, 1989, and to \$25,000 on January 1, 1990. In 1985 only, those races were designated

# ABOUT THE CATALOG

with an “-N” following the race name. For the purposes of this Quarter Horse catalog, however, Thoroughbreds that finished first, second or third in a stakes race, regardless of the added-money value, have been granted black-type. Races with a value of more than \$50,000 added are designated “-L,” while races with an added-money value of from \$15,000 to \$50,000 are designated “-O.” The “-O” designation was dropped after 1985.

3. Graded Stakes: The American Quarter Horse Association has since 1982 granted a small number of the most prestigious and valuable races the designation Graded Stakes Race, and appended the appropriate notion to the name of the race. The highest level of Graded Stakes race is signified by “-G1” following the race name, the second level “-G2,” and the third level “-G3.” Grading of races was not retroactive, therefore no such designation appears on those races prior to 1982.
4. Restricted Races: Stakes races restricted to runners defined by the conditions of the race (i.e. state-bred races, stallion progeny races, races sponsored by auction companies) are designated by the American Quarter Horse Association and The Jockey Club with an “-R” following the race name.
5. Track Records: Horses that have established a new track or course record, or equaled an existing track or course record, have the notation Ntr (New Track Record), Ncr (New Course Record), Etr (Equaled Track Record), or Ecr (Equaled Course Record), followed by in most cases the three-letter designation for the race track and the distance. Course records refer to turf courses.

Information as to races, race results and/or earnings by Quarter Horses was obtained from result charts published by the Racing Department of the American Quarter Horse Association, copyright owner of said charts. Information as to races, race results and/or earnings by Thoroughbred horses was obtained from results charts published by The Daily Racing Form, copyright the American Quarter Horse Association and The Jockey Club. While information contained herein is believed to be accurate and every effort is made by all parties to assure accuracy, errors can and sometimes do occur. ## CONDITIONS OF SALE

**CONDITION FIRST:** The horses are offered for sale according to the laws of the State of Louisiana.

**CONDITION SECOND:** There shall be no upset price on the animals entering the sale ring. If an opening bid on any animal is not immediately forthcoming to the auctioneer's call, it shall be passed out of the ring as unsold. The right to bid is reserved for all sellers in this state.

**CONDITION THIRD:** The highest bidder is to be the buyer, and if any dispute arises between two or more bidders, the horse in dispute shall be immediately put up again for advance bids. If there be no advance, then the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer reserves the right to reject any or all bids.

**CONDITION FOURTH:** Horses will be held at buyers' risk and expense from time of sale. No delivery will be made until final settlement. All horses purchased shall be subject to stable charges for each day or fraction thereof from twelve o'clock noon of the day following sale.

**CONDITION FIFTH: PAY CASHIER IN ALL CASES.** In no case shall any part of purchase money be paid by the buyer to consignor, as such payment will not be regarded as valid or entitle buyer to delivery of the horse. On final payment for a horse, the cashier of the undersigned will issue an order, which must be presented by the buyer to the stable manager for its delivery. Buyers are cautioned not to lose these orders.

**CONDITION SIXTH:** Terms of sale are CASH or APPROVED CHECKS OR CREDIT CARDS, and payment in full MUST BE MADE TO THE CASHIER IMMEDIATELY AFTER SALE, subject to CONDITIONS SEVENTH, EIGHTH, NINTH, AND FOURTEENTH.

## CONDITIONS OF SALE

CONDITION SEVENTH: Upon failure of any buyer to comply with these conditions, any money deposited by him in part payment shall be forfeited to consignor, the latter paying there from all proper expenses; and all lots not cleared as aforesaid may, without notice, be resold at public or private sale, and the deficiency, if any, as well as the expense of such resale, shall be made good immediately by the defaulter at this side.

CONDITION EIGHTH: If any person shall purchase a horse and fail to pay for it within the time limited by Condition Sixth, nothing contained in

CONDITION SEVENTH shall prevent the auctioneer or the consignor from compelling such person to pay for it if the auctioneer or the consignor sees fit.

CONDITION NINTH: Quarter Horse registration papers will be forwarded to the A.Q.H.A. as soon as purchase price has been paid in full.

CONDITION TENTH: Unless otherwise expressly announced at the time of sale, there is no guarantee of any kind as to the soundness or condition or other quality of any animal sold in this sale, except that animals which are unsound or "cribbers" must be so announced at the time of sale. In the case of horses of less than racing age, there is no guarantee as to the soundness of wind. Any animal whose condition is as aforesaid and is not so announced at time of sale will be subject to return to consignor with refund of purchase price, provided that the Louisiana Quarter Horse Breeders Association is so notified in writing and shall be within forty-eight (48) hours after the start of the session at which the animal in question was sold. Any animal sold in this sale which is described at time of sale as a colt, and does not at such time have two testes descended to the scrotum, or that are completely palpable below the inguinal ring; or is described at time of sale as a gelding and is at such time a colt or ridgeling or shall be subject to return to the consignor with refund of purchase price provided that the Louisiana Quarter

Horse Breeders Association is notified in (48) hours after the start of the session at which the animal was sold. The Consignor shall pay all proper expenses incurred on the horse from time of sale until the return to the consignor. Proper expenses include such items as veterinarian charges, vanning, and boarding.

**CONDITION ELEVENTH:** Sale Manager and auctioneer do not act as agents for or represent either buyer or seller, but merely provide a medium for bringing together buyer and seller for the purpose of sales transactions. The Louisiana Quarter Horse Breeders Association assumes no liability for defects in the quality, soundness or condition of the animals whatsoever.

**CONDITION TWELFTH:** Buyers and spectators are cautioned to be careful while in the sales area. Louisiana Quarter Horse Breeders Association and the consignors are not responsible for accidents.

**CONDITION THIRTEENTH:** The auctioneer and Louisiana Quarter Horse Breeders Association are not responsible for statements in this catalog concerning horses listed therein for sale, nor for any warranties concerning these horses. Horses listed in the catalog are sold with engagements listed herein or announced at the time of sale such information being as represented by consignor to whom only the purchaser shall look for redress in case of errors or omissions. The auctioneer and Louisiana Quarter Horse Breeders Association shall endeavor to have all pedigrees and engagements correctly stated, but not responsible for errors or omissions.

**CONDITION FOURTEENTH:** If any check, account or contract is not paid within fifteen (15) days after receipt, it will be placed in the hands of an attorney for collection or enforcement. Purchaser agrees to reimburse Louisiana Quarter Horse Breeders Association for all costs thereof, including fees paid by it. All accounts not paid within the (15) days after the date of sale will result in a 3% finance fee and bear interest at the rate of (18%) per annum until the balance is paid.

# AUCTIONEER KEITH BABB RETIRES AFTER A DISTINGUISHED TENURE IN A UNIQUE PROFESSION

*Presided over the LQHBA Yearling Sale for 45 Years*

The 2024 Louisiana Quarter Horse Breeders Association (LQHBA) Yearling Sale will have its usual two-days of excitement, thrills, and potential stars of Louisiana Quarter Horse racing, but one key element will be missing, the voice of auctioneer Keith Babb. After over 40 years of ushering in 500-plus young horses into the sale ring, Babb, who recently celebrated his 80<sup>th</sup> birthday, has retired. The son of a Baptist preacher, Babb remembers attending farm machinery auctions as a child and he sold farm machinery, personal property, real estate, and many other goods since graduating from the Certified Auctioneers Institute, Indiana University. It is certainly a profession that requires vocal talent, tremendous focus and charisma and Babb had it all. He credits an important mentor, Colonel Ike Hamilton, for sharing his experience in the auction ring.

“He was a great guy and we worked together on the first edition of the LQHBA Yearling Sale at Delta Downs in 1976,” recalled Babb. Traversing the country in the early stages of his career, Babb remembered some of the less sophisticated auction rings than the state-of-the-art set-ups in California, Oklahoma and of, course, Louisiana. “I was selling Thoroughbreds many years ago at Louisiana Downs, with just a banner in the front of the stand,” he shared. “A horse kicked me, and I was rushed to the hospital for treatment; they wrapped up my leg and I returned to finish the sale!” Babb was the auctioneer at the 1985 Phillips Ranch Yearling Sale when he sold First Down Dash, one of the most prolific stallions in Quarter Horse history. His first million-dollar sale had a Louisiana connection when Queen For Cash was purchased by AQHA and LQHBA Hall of Fame member J. E. Jumonville in 1979. Babb smiles when he recalls a compliment from the late Scoop Vessels who stood quietly in back when one of the Vessel’s homebreds enter the ring. “Scoop came to me after we wrapped up and told me that he was hoping his yearling would bring \$150,000,” said Babb. “He was thrilled that he sold for a half-million dollars!” Of course, the Louisiana sale grads hold a special place in Babb’s career with Mr Jess Perry, a prime example, who sold for \$16,500 in the 1993 LQHBA Yearling Sale. “You have no earthly idea what a horse will accomplish in their racing career, but it is incredible to see them emerge as one of the top runners and then stallions in the future,” stated Babb. Tim Rogers of Rogers Farm is a LQHBA board member and a longtime friend of Babb. “I’ve known Keith for over 40 years,” explained Rogers. “I met him when I was doing business in farm equipment, but once Jennie and I

began breeding horses, Keith sold many of our stock.” The highlights included Miss Stoli Fast, who sold for the second highest price of \$120,000 in the 2014 LQHBA Yearling Sale and RF Delta Jet for \$49,000 in 2021. Renamed San Lorenzo Jet by owner Rogelio Marquez, Jr., the son of Jet Black Patriot, eclipsed the \$1 million earnings mark earlier this year with a victory in the Winner’s Circle Church Stakes at Louisiana Downs. “It takes a special talent to be a top auctioneer,” added Rogers. “There is a lot of pressure and Keith has done an incredible job. He is a real good person and a wonderful friend.” Natalie Montgomery and her husband Jim, have bred and sold many successful Louisiana-bred, including multiple graded stakes champion Open Me a Corona. “I have always enjoyed listening to Keith at the sales,” she said. “I think he’s done a great job for the LQHBA. We are thankful that he has worked the auctions for so many years. He will be greatly missed!” Babb knows that his success in the auction ring would not be possible without the breeders that continue to acquire quality mares and stallions. “This job can be pretty demanding, but I have to credit the breeders for improving their consignments,” he said. “Also, the research and work that goes into the catalog pages plays a big part in how we present a yearling entering the sale ring.” Jude Robicheaux, the patriarch of leading LQHBA Yearling Sale consignor Robicheaux Ranch, has cherished memories of Babb selling the Robicheaux yearlings each August. “Keith has been there since the beginning,” said Robicheaux. “He does a wonderful job and our family always hoped he would be at the gavel when our yearlings entered the ring.” Babb kept the bidding going for several Robicheaux top sellers through the years and a banner 2019 edition of the sale in which A Real Train, sold for \$550,000 and Son of A Rogue fetched the all time sale topper bid of \$605,000. That was an unforgettable moment for the Robicheaux family; one that Jude will never forget. Keith keeps the crowd on their toes,” added Robicheaux. “He has been a blessing to our association!” Bruce Salard, LQHBA executive director, salutes Babb’s legacy. “Keith has played an iconic role in the history of the LQHBA Yearling Sale,” acknowledged Salard. “His talent and professionalism elevated the success of our event in so many ways. Tim, Natalie, and Jude shared what Keith meant to everyone in our association. We thank Keith for his service and wish him all the best!” Babb lives in Monroe, Louisiana and will spend some time in his vacation condominium in Orange Beach, Alabama. He deeply appreciates the accolades from breeders and men and women who have devoted their time, money, and dedication to growing the Louisiana Quarter Horse industry. “It’s been a wonderful career,” stated Babb. “What I will miss most is the consignors, co-workers, and friends I’ve met over the years. I have been all over the country and can honestly say that yearlings passing through the Louisiana sale can match the quality in any state!”
