- **Sale Order:** Horses will sell in consecutive catalog order.
- **Bidding:** Both in person live bidding and online bidding is available. You **MUST** be registered in the office for a buyer's number before bidding. Each horse will be sold to the highest bidder, with the exception of reserved prices. The decision of the auctioneer will be final if any questions arise during the sale. The auctioneer also reserves the right to reject any bid.
- **Online Bidding:** We are offering two forms of online viewing and bidding, bid.SchmittysSaleBarn.com or CattleUSA.com. You **MUST** register to bid prior to bidding so please don't wait until sale day to sign up. Horses will not leave the auction companies hands until the horse is paid for in full. Bid.SchmittysSalebarn.com will be responsible for a 2% buyer premium that the platform charges us.
- **Buyers Payment:** Buyer shall pay for all horses at the conclusion of the sale and shall pay the full price; by one of the following: cash, money order, cashier's check, or personal check,ACH, or credit card. There is a 4% fee for credit cards. Iowa has a 7% sales tax on all horses unless a tax exempt form is signed, forms will be available in the office.
- **Catalog:** Every effort has been made to assure correctness of the catalog, however, the seller, sale management and auctioneer are not responsible for errors or omissions. All statements and corrections announced at the time of the sale shall supersede the catalog. All comments stated in the catalog are as stated from the consignors and not the sale management. Again we have made every effort to assure the catalog is correct. All horses' heights are approximant.
- **Health:** Horses will all have a negative 12 month Coggins Test and Health Certificate.
- **Inspection of Horses:** Buyers are responsible for shopping the horses **PRIOR** to sale time. This includes any scars or blemishes that do not affect the soundness of the horse
- **Rideability:** It is the buyer's responsibility to make sure the horse is a good fit. We are not responsible for your inability to ride the horse.
- **Soundness Guarantee:** All horses are guaranteed sound unless stated otherwise from the auction block. We represent and warrant to the buyer the following for 48 hours after being sold the horse is sound of eyes and wind. The horse will hit the ground sound on all 4 feet. The horse is not a cribber and has not been nerved. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. Soundness does not guarantee pass of a check by your vet following the sale. ALL vet exams should be done **PRIOR** to buying the horse, **NOT** after.
- Kyle & Riley Schmitt have the final say over any controversy.

Sparky has had some cow work in the arena as well and would make a nice sorting horse or heel horse. We have been playing around on the hot heels some and is ready for you to take over and go on with. Sparky is happy and content just going down the trail and riding out on the ranch and can handle long periods of time off. Family horse or performance, he's sure qualified to handle either task! Stands 14.3 hands tall. For more information call Kyle at 608-434-4789.

| <p>NOTES: "Tonic" is 14hh of shape wrapped in a really pretty palomino color. If you are looking for a team penning and sorting horse, look no further! This gal was started as a cutter and she is quick on her feet. When you pick up the reins she will be there to go exactly where you say. She has already been taken to the penning and sorting jackpots. When you're not in the arena be sure to take her on a long trail ride, whether you are alone or with a group. Tonic is very quiet on the ground, she has great feet, and is sound. This cute gal is by a son of all-time leading cutting horse sire: High Brow Cat. She is out of a daughter of Genuine As Diamonds who has 118 AQHA points and was shown extensively in the heading and heeling. Tonic has a pedigree to back her athletic ability and brain. NOTES: "Joey" is a beautiful, keen made sorrel gelding by Shine Chic Shine. He is fully trained in the reining, great minded, super gentle, and very smooth moving. Joey has great speed control off your seat, extends his jog beautiful for the ranch classes, and has a very natural level headset. Joey is kind to be around, great in his stall, loves to be bathed and groomed, and is easy to have around. This gelding is one you go out to the barn and look forward to riding. He's eager to learn and has all the talent to go back to the reining or take on to the ranch classes. Joey is easy to navigate, has a big smooth sliding stop, nice spins, has a lead change, and easy lead departures. He is desensitized to the ball, tarp, sacking out stick, rope, and all of our toddlers loud noisy toys. We have been riding him out through the fields, along the road, and through the county park. Joey has straight correct conformation, good foot and bone, and I don't believe he has a hair out of place. This is a nice young gelding with his whole life ahead of him. He's been in great hands his whole life and it shows. He stands right at 14.3 hands tall. Current on deworming, farrier, vaccinations, coggins, and basic pre purchase exam. For more information call Riley at 507-459-8654.

NOTES: "Oakley" is a stunning, family friendly gelding with the reining handle and pedigree! He loves to go slow and easy, stays gentle with time off, and is extremely good minded. He stands 15 hands tall, great conformation, bubbly friendly personality, and a snow white mane and tail. Oakley is the more whoa than go type of guy that is easy to ride and will go any speed you ask. Easy to catch and likes all the attention he can get. He's been ridden out on the trails and along the highway. Very passive and easy going, desensitized to the ball, tarp, sacking out stick, rope, flag, and anything else you want to throw at him. Oakley is very smooth in all gaits, has a great extended jog, loves whoa, and has a nice handle. Very mature minded 4 year old gelding that we believe about anyone that can get in the saddle should be able to ride. Oakley would be a fun gelding to take to the local shows in 4H and some ranch classes, or just enjoy out on the trails and around the farm. With his pedigree, good looks, gentle disposition, and training he is ready to excel in any direction you want to take him. Straight legged, good feet, no stalling issues or vices. Very sweet gelding that you'll love when you get him home! Current on deworming, farrier, vaccinations, coggins, and basic pre purchase exam. For more information call Riley at 507-459-8654.

NOTES: Ken is a beautiful golden palomino AQHA gelding that stands 14.2 hands and weighs 1050#. He is well broke to ride in and out of the arena. We have taken Ken on many trail rides and some weekend camping trips, where he handled new sites like a pro. We have ridden him alongside busy highways, through town, and down to our local fairgrounds many times. He will cross water, bridges, downfall, and other obstacles like tarps. He has also been ridden through cattle in the pasture and roped the heelomatic. Ken is soft in the face and ribcage, and has a rocking chair lope in the arena. He will side pass, pivot, pop right into his leads, and stop hard when asked. Ken is a nice all around gelding that excels on the trail as well as the arena. Current on Dental, Deworming, & Farrier.
