- **Sale Order:** Horses will sell in consecutive catalog order.
- **Bidding:** Both in person live bidding and online bidding is available. You **MUST** be registered in the office for a buyer's number before bidding. Each horse will be sold to the highest bidder, with the exception of reserved prices. The decision of the auctioneer will be final if any questions arise during the sale. The auctioneer also reserves the right to reject any bid.
- **Online Bidding:** We are offering two forms of online viewing and bidding, bid.SchmittysSaleBarn.com or CattleUSA.com. You **MUST** register to bid prior to bidding so please don't wait until sale day to sign up. Horses will not leave the auction companies hands until the horse is paid for in full. Bid.SchmittysSalebarn.com will be responsible for a 2% buyer premium that the platform charges us.
- **Buyers Payment:** Buyer shall pay for all horses at the conclusion of the sale and shall pay the full price; by one of the following: cash, money order, cashier's check, or personal check,ACH, or credit card. There is a 4% fee for credit cards. Iowa has a 7% sales tax on all horses unless a tax exempt form is signed, forms will be available in the office.
- **Catalog:** Every effort has been made to assure correctness of the catalog, however, the seller, sale management and auctioneer are not responsible for errors or omissions. All statements and corrections announced at the time of the sale shall supersede the catalog. All comments stated in the catalog are as stated from the consignors and not the sale management. Again we have made every effort to assure the catalog is correct. All horses' heights are approximant.
- **Health:** Horses will all have a negative 12 month Coggins Test and Health Certificate.
- **Inspection of Horses:** Buyers are responsible for shopping the horses **PRIOR** to sale time. This includes any scars or blemishes that do not affect the soundness of the horse
- **Rideability:** It is the buyer's responsibility to make sure the horse is a good fit. We are not responsible for your inability to ride the horse.
- **Soundness Guarantee:** All horses are guaranteed sound unless stated otherwise from the auction block. We represent and warrant to the buyer the following for 48 hours after being sold the horse is sound of eyes and wind. The horse will hit the ground sound on all 4 feet. The horse is not a cribber and has not been nerved. This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. Soundness does not guarantee pass of a check by your vet following the sale. ALL vet exams should be done **PRIOR** to buying the horse, **NOT** after.
- Kyle & Riley Schmitt have the final say over any controversy.
- Neither the Auctioneer, Schmitty's Sale Barn, any representative thereof, nor their consultants shall be responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death, or illness of any horse, person, or property before, during or after the sale.

NOTES: "Earl" is a beautiful, well-built dapple gray gelding that stands 15.1 hands tall. This guy is your true steady Eddie trail horse that also rides pretty exceptional in the arena. He is safe and gentle for absolutely everyone! He has a fun, goofy personality that will surely make you fall in love with him. Earl LOVES all the attention he can get, stands great to saddle, bathe, farrier, and clip. He is very brave out on the trails and has a very passive easy going mindset, doesn't get rattled or spooked by much of anything. Earl has been ridden both English and western, he's very smooth moving. He has a nice slow jog that also extends super nice, rocking chair lope, great handle, lots of body control, and loves whoa. Earl can sit idle for long periods of time and still tack up gentle with no issues. He can live outside in a herd no problem, but also enjoys his tall time. Has been hauled to county parks to trail ride several times, crosses water, bridges, downfall, and doesn't mind being first or last. This gelding would make an exceptional 4H horse or ranch show candidate. He is absolutely sound with no health issues, and is 100% easy to have around. He's the hop on and go kind of guy that everyone is looking for. Only reason Earl ever came for sale was because his owner is getting married and got busy with life. NOTES: DJ is a flashy '22 bay gelding standing 14.1hh. We have owned DJ since he was a yearling. He was a late bloomer and a little smaller as a 2y, so he wasn't started until mid Dec. DJ has always had an outstanding disposition and exceptional conformation. He is learning very quickly and is extremely easy to be around. He is easy going in the arena and out on the trail. DJ would excel for an amateur or novice in the show pen, or he would make an outstanding trail partner. Call Terry 563-543-2248

NOTES: This is an excellent broke mule that I have owned for the last 4yrs and we have used him for everything. He is a finished saddle mule that can be used for trail riding to ranch work. He has competed in all mule rodeos in the barrels, poles, mounted shooting and team roping on both ends. He is a really good heading mule and is great in the box steer after steer. I have also roped cattle on him outside. He rides one handed. Codie has recently showed him at a cowgirl challenge. He was used for barrel racing, ranch cutting, ranch pleasure and ranch trail and he placed very well against some very nice horses. Kneepads knows his leads and is very broke in the bridle he turns around and has a sliding stop!! I have drug hundreds of calves to the fire on him and non of the commotion of kids running and calves bawling bothers him. We have also used him as a pack mule in a string. Kneepads is great with his feet and ears. This has been a Rafter D Mules personal mule for 4 years. Please feel free to reach out and come try him before the sale. We have trails and roping cattle to try him on. FMI call 651-303-7056

NOTES: Argento is a 4yo grey draft cross gelding that stands 16 hands tall. Argento is an exceptionally honest, beautiful, and kind horse. Argento has spent the past year working full time as a ranch horse in the Nebraska sand hills doing all aspects of ranch work: Head and heeled calves, drug hundreds in the branding pen, doctored on pasture, loaded trucks, tagged calves, used in the tub and alleys, and out in the big country putting in long hard days. This horse is not just a ranch horse either, he has a great handle in the arena where he picks up his leads, and is soft in the face and body and rides with a ton of style. Argento rides excellent in all situations through rivers, up and down the hills and through town and traffic. Argento also excels in the harness, hook him any way you want and he will drive like a true gentleman. He has been in the buggy down the highway, driven by the kids as well as breaking colts double in farm machinery. Great to clip, bathe, and shoe. Do not miss this exceptional horse. Up to date on dental, worming, vaccines, chiro, and farrier. FMI: Clay 507-421-6671
