Notes:

SCHMITTY'S SALE BARN — TERMS & CONDITIONS OF SALE

- **SALE ORDER:** Horses will sell in consecutive catalog order unless otherwise announced from the auction block.

- **BIDDING:** Both live in-person and online bidding are available. All bidders must be properly registered with the sale office and obtain a buyer's number prior to bidding. Each horse will be sold to the highest bidder, subject to any reserve. The auctioneer reserves the right to reject any bid and shall have final authority in all bidding disputes.

- **ONLINE BIDDING:** Online bidding is available through **cci.live**. Buyers must register and be approved prior to sale time. The sale barn and auction company are not responsible for missed bids, technical issues, or internet failure. Horses will not be released until payment is made in full and verified.

- **BUYERS PAYMENT:** Payment is due in full immediately following the conclusion of the sale. Accepted forms of payment include cash, money order, cashier's check, personal check (with approval), ACH, or credit card. A 4% convenience fee applies to all credit card transactions.

All applicable Iowa state sales tax (7%) will be charged unless a completed tax exemption form is provided.

- **CATALOG & ANNOUNCEMENTS:** Every effort has been made to ensure the accuracy of the catalog; however, the seller, sale management, and auctioneer are not responsible for errors, omissions, or incorrect information. All information is provided by consignors. Announcements made from the auction block take precedence over any printed or digital material. All measurements, including height, are approximate.

- **HEALTH REQUIREMENTS:** All horses will have a current negative 12-month Coggins test and health certificate unless otherwise announced. The sale barn makes no guarantees regarding future health or condition after the time of sale.

- **INSPECTION OF HORSES:** Buyers are solely responsible for inspecting horses prior to bidding. This includes evaluating soundness, condition, scars, blemishes, training level, and suitability. Failure to inspect shall not be grounds for dispute after purchase.

- **RIDEABILITY & SUITABILITY:** It is the buyer's sole responsibility to determine if a horse is suitable for their intended use and skill level. The sale barn and its representatives make no guarantees regarding rideability, temperament, or behavior.

- **SOUNDNESS GUARANTEE (LIMITED):** Unless otherwise announced, horses are guaranteed sound at the time of sale. For a period of 48 hours following the sale, the following conditions apply:

- Horse is sound in eyes and wind
- Horse is serviceably sound on all four feet at time of sale
- Horse has not been nerved
- Horse is not a cribber

(continued)

This guarantee applies only to conditions existing prior to the sale and does not cover issues resulting from transport, handling, care, or use after purchase. This guarantee does not ensure a horse will pass a post-sale veterinary exam. All veterinary inspections should be completed prior to purchase.

All claims must be reported within the 48-hour window. After 48 hours, all sales are final with no exceptions.

- **REGISTRATION PAPERS:** Buyers are solely responsible for obtaining any pending registration papers from the consignor. The sale barn assumes no responsibility for the transfer, status, or completion of registration paperwork.
- **RISK & TRANSFER OF OWNERSHIP:** Ownership and all risk of loss transfer to the buyer immediately at the fall of the auctioneer's hammer. Buyers assume full responsibility for the horse at that time.
- **LIABILITY DISCLAIMER:** All persons attend and participate in this sale at their own risk. Schmitt's Sale Barn, the auctioneer, owners, employees, representatives, and affiliates shall not be held liable for any injury, death, illness, loss, theft, or damage to persons, animals, or property before, during, or after the sale.
- **AGENCY DISCLOSURE:** Schmitt's Sale Barn acts solely as an agent between buyer and seller and assumes no liability for disputes, misrepresentations, or contract enforcement between parties.
- **DISPUTES:** Any disputes arising between buyer and seller are strictly between those parties. However, Schmitt's Sale Barn (including Kyle & Riley Schmitt) reserves the right to make final determinations regarding sale conduct and enforce sale policies at their discretion.
- **HORSE REMOVAL & BOARDING:** Horses must be removed from the premises by 12:00 PM (noon) Sunday following the sale unless prior arrangements are made. Extended stays will be charged at a rate of \$15 per day. The sale barn is not responsible for injury, illness, or loss during extended stays.
- **NO ALLEY TRADING:** No private sales ("alley trading") will be permitted on the premises. All horses must go through the sale ring, and all transactions must be processed through the sale office.
- **DEFAULT ON PAYMENT:** Any buyer failing to complete payment is subject to legal action. The sale barn reserves the right to resell the horse and hold the buyer responsible for any resulting loss, fees, or damages, as well as revoke future bidding privileges.
- **HOLD HARMLESS AGREEMENT:** By participating in this sale, buyers and consignors agree to indemnify and hold harmless Schmitt's Sale Barn, its owners, employees, auctioneers, and affiliates from any and all claims, damages, or legal actions arising from the sale.

NOTES: Introducing the cutest little fella I believe has ever stepped foot on our place—meet Rascal! Rascal stands 13.3 hands tall, and yes, you read that correctly! He may be little, but he's packed full of talent and is absolutely beautiful. This 4-year-old gelding is by Pale Face Dunit and out of a daughter of Chocolate Chic Olena. He is double registered AQHA and APHA. We've owned Rascal for the past year and a half. He was lightly started when we purchased him, and all of his training since has been done by us. Rascal is started in all the reining maneuvers and is an absolute blast to ride. He is really beginning to shine in the ranch events. I've shown him once, and he made a great first impression by earning a second place finish in Ranch Rail. He has a stylish turnaround, excellent body control, rides off your seat and legs with ease, and loves to stop. He's confident and willing with all kinds of ranch obstacles and desensitization work. Rascal will drag a log, work a gate, trot over logs, cross a bridge without hesitation, and is comfortable with a rope. He's been exposed to cattle, ridden along the road, and has plenty of trail miles under his belt. Smooth moving, eye catching, and full of potential, Rascal is the kind of gelding that turns heads wherever he goes. With a little more seasoning and finishing, we believe he has a very bright future in the ranch classes. Finding another one quite like him would be no easy task. Current on all cares, sells with current basic pre purchase and soundness letter from our veterinarian. For more information call 507-459-8654.

NOTES: This shapey, muscular gelding stands 14.2 hands tall and has the kind of disposition that is becoming harder and harder to find. Extremely gentle, friendly, and easygoing, he's the same horse every single day. Honest, dependable, and willing. A true ranch horse, he has been used extensively for doctoring cattle, branding, and sorting cow/calf pairs. He knows what a hard day's work looks like and handles every job with confidence and a willing attitude. Out on the trail, he is steady and reliable whether he's leading the group or bringing up the rear. Obstacles don't bother him, he isn't spooky, and he takes new situations in stride with a calm, level-headed demeanor. His gentle nature makes him suitable for riders of all experience levels. One of his most valuable qualities is his consistency. Leave him turned out for weeks or even months, and when you saddle him back up, he's the same broke, gentle horse you remember. No surprises, no nonsense—just a dependable partner ready to go to work or enjoy a leisurely ride. If you're looking for a versatile ranch horse with real-world experience, a great mind, and the kind of disposition the whole family can appreciate, this gelding checks all the boxes. NOTES: Tinsel is a stunning dark chestnut gelding with a beautiful silver mane and tail, standing 14.2 hands tall with an elegant, eye-catching build. We are proud to be his second owners. By Little Joe Cash and out of Down Under Diva (a daughter of Topsail Whiz and formerly owned by Clinton Anderson), Tinsel is a finished reiner with over \$13,000 in NRHA earnings. He has also transitioned seamlessly into the ranch horse world, where he continues to excel. In the few ranch shows we've taken him to, he consistently placed first or second in classes including Ranch Riding, Ranch Rail, and Ranch Trail. Judges absolutely love this horse. Tinsel is the kind everyone calls searching for, safe, seasoned, sound, and sane. Our 4-year-old son rides him by himself and has even loped him, making Tinsel a true babysitter that will teach you how a trained horse should feel. He is automatic in all reining maneuvers, exceptionally easy to ride, and gives his rider confidence. Whether you're an experienced horseman or a beginner, Tinsel makes everyone feel like a pro. One of his greatest qualities is his consistency. He stays trained regardless of how much time he has off and can easily be maintained at home without the need for a trainer. Saddle him up after time off, and he rides off just like he did the day before. Around the barn, Tinsel is a pleasure to own. He is gentle to saddle, enjoys attention and grooming, and has completed our full

desensitization program. He is comfortable around cattle, works gates, drags logs, crosses bridges, navigates trail obstacles, and has been ridden extensively on trails and down the road. Tinsel is 100% sound, requires no maintenance, is excellent in a stall, enjoys turnout, and is an easy keeper. We truly cannot say enough good things about this outstanding gelding. Whether you're looking to return to the reining pen, dominate the ranch horse classes, or simply enjoy a safe and reliable family horse, Tinsel checks every box. Serious buyers are welcome to come try him prior to the auction. He is current on all care and sells with a current basic pre-purchase exam and soundness letter from our veterinarian. For more information, call 507-459-8654.

NOTES: Homer is a striking Classic Champagne stallion with all the tools to turn heads both in and out of the show pen. As a Classic Champagne, he carries and can produce black-based foals, making him an exciting breeding prospect for the future. Homer stands 14.2 hands tall. He is sired by Spooks Grand Slam (LTE \$150,226), whose first foal crop is just reaching 3-year-old competition age. Known for passing on big maneuvers, trainability, and an exceptional mindset, Homer is proving to be a true reflection of his sire. This kind-hearted young stallion is a pleasure to be around. He is gentle to handle, enjoys attention, and comes to work each day with a willing attitude. Homer was started in a reining program and has since transitioned into ranch horse training. He is balanced and attractive in his movement, has a smooth turnaround, a quality jog with natural extension, and enjoys stopping. His laid-back, easygoing personality makes him a horse that takes new experiences in stride without getting worked up. Homer also rides exceptionally nice outdoors down the trails and has been ridden through town. Homer is enrolled in NRHA, NRBC, NARS, 100X, and IRHA programs, adding significant value as both a show and breeding prospect. He would be an excellent candidate for the IQHA Ranch Horse Futurity this fall, with the potential to stand to the public in the future. If stallions aren't your preference, he also has all the makings of an exceptional gelding. One of the things we appreciate most about Homer is his demeanor. He is stalled alongside our geldings and acts like one of the crew, never causing a fuss. Whether you're looking for a futurity prospect, ranch horse competitor, breeding stallion, or versatile all-around partner, Homer has the talent, pedigree, and disposition to excel. NOTES: Carmel is a beautiful 15-year-old sorrel mare standing 15.1 hands tall. She is a wonderful all-around family horse and has spent the last three years being ridden and shown by our 8-year-old daughter. She is sweet, safe, sound, and dependable. This versatile mare has done it all: • 4-H experience • English and Western Pleasure • Local/fun shows • Trail riding • Parades • Camping trips • Respects temporary fencing • Excellent with children Carmel has a kind disposition and a willing attitude, making her a great partner for a young rider, family, or anyone looking for a reliable horse to enjoy. She has the perfect jog that's easy to sit and the smoothest little lope you could ask for. Carmel is the kind of horse that helps inexperienced riders build confidence and shine in the show ring. She makes her riders look good, takes care of them, and has earned plenty of ribbons along the way. Trustworthy, experienced, and eager to please, she loves attention and is always happy to go to work. She can sit over winter and you'll pull out the same horse come spring that you haven't ridden since fall. This is a very special mare who has helped build our daughter's confidence and skills both in the show ring and on the trails. We are looking for a loving home where she can continue to be appreciated and enjoyed. For any questions call Amber at (920) 420-9093.

NOTES: Gunner is a 9 year old, 15.1 hand gelding that is the kind of horse you don't see often. Gunner is not only safe for the whole family, but also well broke to ride. He has a one hand neck rein, performs all gates of movement with ease, has a nice stop and back to him and even side passes. Gunner would be the perfect addition for any family, whether that be for trail rides, 4H or an all-around using horse.
