- **BIDDING:** Both live in-person and online bidding are available. All bidders must be properly registered with the sale office and obtain a buyer's number prior to bidding. Each horse will be sold to the highest bidder, subject to any reserve. The auctioneer reserves the right to reject any bid and shall have final authority in all bidding disputes.

- **ONLINE BIDDING:** Online bidding is available through **cci.live**. Buyers must register and be approved prior to sale time. The sale barn and auction company are not responsible for missed bids, technical issues, or internet failure. Horses will not be released until payment is made in full and verified.

All applicable Iowa state sales tax (7%) will be charged unless a completed tax exemption form is provided.

- **CATALOG & ANNOUNCEMENTS:** Every effort has been made to ensure the accuracy of the catalog; however, the seller, sale management, and auctioneer are not responsible for errors, omissions, or incorrect information. All information is provided by consignors. Announcements made from the auction block take precedence over any printed or digital material. All measurements, including height, are approximate.

- **HEALTH REQUIREMENTS:** All horses will have a current negative 12-month Coggins test and health certificate unless otherwise announced. The sale barn makes no guarantees regarding future health or condition after the time of sale.

- **INSPECTION OF HORSES:** Buyers are solely responsible for inspecting horses prior to bidding. This includes evaluating soundness, condition, scars, blemishes, training level, and suitability. Failure to inspect shall not be grounds for dispute after purchase.

(continued)

This guarantee applies only to conditions existing prior to the sale and does not cover issues resulting from transport, handling, care, or use after purchase. This guarantee does not ensure a horse will pass a post-sale veterinary exam. All veterinary inspections should be completed prior to purchase.

All claims must be reported within the 48-hour window. After 48 hours, all sales are final with no exceptions.

- **REGISTRATION PAPERS:** Buyers are solely responsible for obtaining any pending registration papers from the consignor. The sale barn assumes no responsibility for the transfer, status, or completion of registration paperwork.
- **RISK & TRANSFER OF OWNERSHIP:** Ownership and all risk of loss transfer to the buyer immediately at the fall of the auctioneer's hammer. Buyers assume full responsibility for the horse at that time.
- **LIABILITY DISCLAIMER:** All persons attend and participate in this sale at their own risk. Schmitt's Sale Barn, the auctioneer, owners, employees, representatives, and affiliates shall not be held liable for any injury, death, illness, loss, theft, or damage to persons, animals, or property before, during, or after the sale.
- **AGENCY DISCLOSURE:** Schmitt's Sale Barn acts solely as an agent between buyer and seller and assumes no liability for disputes, misrepresentations, or contract enforcement between parties.

NOTES: If you're searching for that hard to find, dependable gelding that's truly been there and done that, Denero checks all the boxes. With his quiet, willing demeanor and extensive resume, he's the kind of horse the whole family can enjoy. Denero has done it all—from camping trips, swimming, trail riding, 4-H, local shows, and parades. He's confident riding out alone or with a group and has the kind of steady mind that makes every ride enjoyable. He can sit for extended periods without being ridden and goes off the same dependable horse. In the arena, Denero is handy broke with all the buttons you need. He one-hand neck reins, pivots, side passes, and has a nice stop, making him enjoyable for experienced riders while remaining forgiving enough for beginners. He's the type of gelding that takes care of his rider. On the ground, Denero is just as enjoyable. He stands tied, loads, hauls, bathes, and is easy to handle in every aspect of his daily care. He's up to date on all cares and will come with a current health certificate. Beyond his training, Denero has a puppy dog personality. He's always the first to meet you at the gate and genuinely enjoys being around people. He's the kind of horse that quickly becomes part of the family. If you're looking for a safe, dependable ranch-type gelding with the experience, disposition, and training to take care of his rider, Denero is your guy. Maximus (Grade)

NOTES: Maximus is an absolutely stunning draft cross dapple buckskin gelding with a long, flowing mane and a tail that reaches the ground. At just 6 years old, he's in the prime of his life with an exciting future ahead of him. Maximus is broke to both ride and drive and has been ridden extensively in the arena as well as on the trails. He has been hauled to state parks for weekend camping trips, where he stands tied with impeccable manners. He loads, hauls, and backs out of the trailer with ease, making him a pleasure to travel with. Maximus has a smooth, sure footed walk that is extremely enjoyable out on the trails. Under saddle, Maximus is incredibly smooth to ride with soft, fluent transitions and a willing attitude. Whether you're looking for a horse to take into the show ring or a dependable partner to enjoy on leisurely trail rides, Maximus has the talent, temperament, and eye-catching presence to do it all. Without a doubt, Maximus is one of the most striking crossbred horses we've ever had the pleasure of owning. He stands 15.3 hands tall. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. He has been on countless trail rides, including a 5 day trip to the Black Hills of South Dakota. Ties out over night, goes through water, crosses bridges, goes over logs, and gets along with everyone. You can have him in the front, middle, or back of the group with no problems. In addition, he rides just fine by himself. He is the big dog you never knew you needed. NOTES: Bandera Sandstorm, aka Dune, is by 3x Supreme Champion Hermit's Rockytop of Bandera Gypsy Ranch, out of Bandera Mirage. Dune is a 2yo, 14.1 hh buckskin Lp registered Gypsy Vanner stallion with exceptional conformation and temperament, big bones with room left to grow. He has successfully bred this year and has 30 days under saddle. Dune is gentle, kind, loads and unloads easily, a dream in the wash bay and any grooming tasks, has competed in trail in hand and halter classes as a yearling. He is an extremely well mannered stallion, quiet and polite to his mares while getting the job done. He lives peacefully in the pasture with our other Gypsy Vanner stallion, even young yearlings, when not in the barn or being worked. He adores his humans and attention. He is an asset as a herd sire, ready to continue his show career, or ranch life, and if preferred, would excel as a gelding as well. Contact (319) 239-1659 with questions.

NOTES: "Hudson" is a gorgeous dual-registered AQHA/APHA buckskin gelding by HF Mobster. This handsome gelding is sure to catch your eye with his striking baby-blue eyes and exceptional presence. Hudson is EXTRA gentle and is truly one of the quietest, easiest-going horses we have ever owned. He was started in a reining program, and his previous owner exposed him to just about everything you can imagine. He is excellent with obstacles, rides English, is mounting block trained, has been trail ridden extensively, and is completely traffic safe. This guy is so slow, quiet, and trustworthy that we confidently let our 4-year-old son ride him on his own, something we rarely ever do on a 4-year-old horse. Hudson is smooth moving, naturally loves to stop, and has a nice, easy handle that makes him enjoyable for riders of all experience levels. He has been shown in ranch riding and ranch trail, taking every obstacle and every new environment in stride. New arenas, commotion, and busy showgrounds simply don't bother him. Hudson is family-safe for riders of all ages and abilities. Whether you're looking for a dependable 4-H partner or a horse to be competitive at weekend ranch shows, Hudson has the talent and disposition to excel at both. Hudson genuinely loves people. He enjoys being groomed and bathed, stands quietly to be clipped, and saddles up gentle every single ride, no matter how much time he's had off. He truly has the mind and personality of an old soul in a young horse's body. Hudson stands 14.2 hands tall and is deaf, which is not uncommon in some reining-bred horses. It does not affect him in the slightest. He is never jumpy or reactive, and if we didn't tell you, you would never know. His quiet, willing attitude and dependable nature make him an exceptional family horse. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. NOTES: Check out this big, gorgeous, ranchy, dark dappled palomino mare with silver hair! Oakley is such a nice horse. Amateur friendly and uncomplicated to ride. Easy to catch, gentle on the ground. She's responsive at all gaits, has an easy spin, sidepass, stop, back up, and steering. She's willing through transitions at a walk, trot or lope. Oakley spent several months with a roping trainer and a decent chunk of time on a cattle ranch ranch, pushing cows all day and learning how to be a great working partner. She's very comfortable with a rope and will drag a log or tarp or any other object we've asked her to. Oakley also is confident handling a gate, carrying a flag, crossing water, etc. Great on the obstacle course and is curious and willing to try new things. And as a cherry on top, she's got the mounting block cue installed! So, no matter where you are on the trail or at home, you can snap your fingers and she'll sidepass up to the mounting block, fence or tree stump so you can climb on with ease! Ride her saddled or bareback. Bridled or in a halter. Alone or with other horses. Oakley has done it all. She's a very patient mare and will stand quietly wherever you put her. She's also comfortable being stalled or turned out. She's got great manners for the farrier and loves her baths! We've owned Oakley since she was a weanling. We know everything about her. She's always been 100% sound and has really great bone and feet, and perfect x-rays. She's been barefoot her whole life and rides sound across all terrain (including gravel). No buck, no funny business, no vices. She's gentle, reliable and a solid horse all the way around. Can be registered Buckskin & Palomino. 14.3. We're proud of Oakley and are ready to help her find the perfect home. Feel free to contact Sid with any questions: 715-416-1502

NOTES: Jeffy is a very versatile gelding who is extremely gentle and easy to get along with. He has been ridden extensively on the trails and has also been shown competitively in both hunt seat and ranch classes. According to previous owners, he has earned points in the ApHC, and with us he has also won money in ranch classes. Jeffy is very well broke and enjoys attention—Derek has had his kids climbing all over him, and he can't get enough of it. He has a beautiful extended trot, correct pivots, and a smooth lead change. Out on the trails he is solid and confident, and obstacles are not an issue for him at all. He would suit a show home or make a wonderful leisure family horse. He stands 15 hands and has a full, real tail.

PERFORMANCE RECORD: Earner of 22.5 AQHA points. In AQHA competition: Open Perf. ROM; earnin.

NOTES: Topaz, a truly eye-catching 15-hand palomino gelding with the talent, training, and temperament to match his good looks. Bred to perform, he's sired by the renowned Inferno Sixty Six and out of a daughter of the legendary Wimpys Little Step—a pedigree stacked with proven performance. Topaz has been part of our program for over two years and has become a staple of the Schmitt Horse Ranch—our mascot and a barn favorite. He's been hauled to ranch shows and trail riding at county parks, handling new environments with ease and confidence. Professionally trained in reining, Topaz has all the fancy buttons and is now excelling in ranch classes. He's soft, responsive, and an absolute joy to ride, whether you're showing or just enjoying a cruise down the trail. He's got stylish spins, deep sliding stops, smooth and pretty transitions, and an extended jog that'll turn heads. Judges love his presence and style, he's brought home multiple wins at local shows with my husband, Kyle, in the saddle. He has also earned his AQHA Performance ROM with Riley in the saddle last September at his first AQHA show. He has earned 22.5 AQHA Ranch Points. This gelding swept the Ranch Rail class placing 1st under all three judges! He's a well-balanced, comfortable ride with impeccable conformation, straight legs, strong feet, and gorgeous muscle tone. On the ground, Topaz is a gentleman. He stands ground tied for saddling if desired, ties well, stalls with no issues, and gets along great in a herd. He loves grooming and bathing, is respectful for the farrier, and is easy to load, haul, and tie at the trailer. He's got a quiet, business-like attitude and gives 100% every single ride, there's no quit in this guy. Topaz is the total package: beauty, brains, and try. Whether you're looking to step confidently into the show pen or enjoy a broke, good-minded horse for trails and ranch work, he's ready. His rich chocolate dapples, chrome, and presence will turn heads wherever you go. This is a tough one for us to part with, but we know he's ready to make someone else just as proud as he's made us. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. For more information please visit www.schmitthorseranch.com or give us a call 507-459-8654.

NOTES: "Sly" is a gorgeous 14.2-hand deep red roan gelding with four matching white socks and is sired by Metallic Cat and out of Sly Playgirl! This gelding is cool, quick-footed, smooth-moving, and an absolute pleasure to ride. Sly comes from an outstanding cutting program and is fully trained on a cow. While he wasn't destined for their open-horse program, he has all the cow sense, expression, and athleticism you could ask for. He is naturally cowy and has a stylish look on both cattle and the flag. Sly would transition seamlessly into weekend ranch horse shows or VRH competition. He has a fun, goofy personality and truly enjoys being around people. Sly is the kind that wants to be in your pocket and is always happy to see you. He is stoutly built with beautiful muscle, excellent bone, strong feet, and an eye-catching presence. With his natural ability, quick feet, and huge stop, Sly has all the ingredients to become a top-end heel horse, breakaway horse, or calf horse. He is exceptionally smart, good-minded, and retains everything he is taught. Outside the arena, Sly has also been hauled overnight for camping and trail riding. He loads, hauls, unloads, and ties quietly to a hitching rail without any fuss. He is confident on the trail, travels at a comfortable pace, and is content whether he's leading the group or bringing up the rear. This beautiful gelding truly offers the complete package. With his pedigree, training, athletic ability, and outstanding mind, Sly is only going to increase in value as he gains age and experience. We can't say enough good things about him. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. NOTES: "Reba" is a gentle, red roan mare that stands 15 hh. A very pretty mare that stands as thick and square as you can make one. As a yearling, she won the conformation out of 62 entries at the Iowa Ranch Futurity bringing home over \$2,600. She has caught the judge's attention from the start. Reba came into our program last year and has been in full VRH training since. Reba has the foundation in the arena and is a pleasure to ride outside as well. She has worked for a living helping start colts and has logged hours being turn back help at home, clinics, and shows. She would make a great non-pro horse if you wish to continue on in the show pen or a dependable trail and ranch horse to use at home. Sound and utd on all cares. 641-426-6385.

NOTES: "Scout" is a beautiful, deep chestnut gelding with a uniquely marked face, standing 14.2 hands tall and sired by Tricked Out Spook. He has excellent ground manners, a kind disposition, and is fun to ride. Scout comes with a solid reining foundation that gives him all the fun, user-friendly buttons. He has a fancy handle, a big stop, a cute jog, and a collected lope. Before we purchased him, his previous owner had also been heeling on him out of the box, adding to his versatility. He is a confident trail horse that willingly steps out, crosses obstacles, and will take you wherever you want to go. Scout has spent plenty of time pushing cattle and checking fences, proving himself to be a dependable and practical ranch partner. If you're looking for a gelding to start taking to weekend ranch shows, Scout has all the training and foundation to be competitive. If showing isn't your goal, he is equally suited to be a dependable trail horse or an enjoyable all-around horse to have around the farm. With his great mind, solid training, and willing attitude, Scout is the kind of horse that is easy to appreciate every time you saddle him up. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. This handsome 2023 APHA gelding has an exceptionally laid-back personality, is easy to work with, and is always the first to meet you at the gate. NOTES: "Austin" is a smooth-made 15-hand bay gelding by Spooks Gotta Whiz and out of a daughter of Hollywood Dun It. He is exceptionally well-trained in the arena and came to us directly from a full-time reining program. We are only his second owners, and prior to us, he had never left the farm where he was raised. Austin has all the reining maneuvers you could ask for, including a fancy spin, a big stop, and a smooth, cadenced lope. He is also learning to really extend his jog and is making an excellent transition into the ranch horse world. Since purchasing him, we have been focusing on ranch riding by jogging and loping over logs, working gates, dragging logs, side passing over obstacles, improving his transitions, and putting plenty of real trail miles on him. He has also been on an overnight camping trip with us, where he stood tied to the hitching rail for two nights without a single issue. He loads, hauls, and unloads with ease. Although the trails were a new experience for him, he handled everything confidently, took it all in stride, and was an enjoyable partner every step of the way. Austin saddles up quietly and rides off gentle, no matter how long he has been sitting. He is the kind of horse that stays trained and is always a pleasure to ride. We've hauled him to a ranch horse clinic and our local ranch shows, where he has continued to prove his willing attitude and versatility. Whether you're looking for a ranch horse, a weekend show partner, a trail horse, or simply a well-trained gelding to enjoy, Austin has the talent, foundation, and disposition to excel in any direction you choose. Austin has the talent, foundation, and disposition to excel in any direction you choose. Absolutely sound, current on deworming, farrier, vaccinations, coggins, dental, and basic pre purchase exam. For more information please visit www.schmitthorse ranch.com or give us a call 507-459-8654.

NOTES: Player (Klassic Play Maker) is a 2021 AQHA palomino gelding who was bred and born at the Krogman Ranch. He is by VF Chase This and out of a Krogman QH mare. He stands around 16 hands and is built solid. He is broke and is patterned on the barrels and is ready to be entered. Player has so much potential to be a 1D horse with right rider. Was entered a few times last fall; however, due to no fault of his own he has only been entered once this year. He would do best with an experienced rider due to him being fast with a big motor. Player has so much potential and due to my current personal health situation I feel I am holding him back showing his true potential. He stands good for the farrier, up to date on vaccination, and has no health issues. FMI (641) 430-3261

NOTES: Sids Chocolate Icon better known as Billy may come without loud spots, but his striking bay color and well-built foundation still catches the eye! Even more, Billy was bred to have the mind and ability to be versatile. This boy could be pointed in any direction and thrive. Take him to the show pen, out on the trails, run him through a jumping course, or put him to work on the ranch. The options are endless! Billy has already been introduced to the show pen and came home with Grand Champion, Reserve Champion, and top 5 placings. This year Billy has conquered standing tied, being clipped, standing for the farrier, loading in the trailer, hauling, and stalling away from home. Don't let his age fool you, Billy has excelled on the lunge line and through the trail course: backing through the L, sidepassing, walking and trotting over poles, and pivoting. He is sired by Chocolate Icon whose known for producing versatile performance and halter prospects and out of Suddenly A Lady whose show record began as a yearling and proved to continue to be top of the nation years after. NOTES: Hashtag Bellanotblu (Bella) is a 2025 sorrel filly sired by Blu Label Whiskey by NCHA Hall of Fame stallion Hashtags. Her mother goes back to Leo Hancock Hayes, Ciderwood, and Doc Red Bar. She is one of our favorite pasture mares and has passed onto Bella her quiet, gentle, easy-going nature. Bella is very intelligent and gives to pressure without being overly sensitive. She's been ponied, tied, trimmed and trailered and has done so quietly and calmly. She's a big filly with good bone and substance. Bella is 6 panel negative through parentage, and we expect her to mature to 15h+. She's a great trail, using or performance horse prospect or could be a valuable addition to any breeding program.

Dolly is a gorgeous mover that exhibits a lot of athleticism. She's got a very sweet personality and is constantly wanting to be near you. Dolly knows her ground work and was started under saddle as a three year old with had five rides before she was turned out with the intention of becoming a broodmare. She's been on pasture with our stallion the past two springs but has not been bred, so that is our reason for selling. We have not attempted to hand breed nor artificially inseminate. She would make a great project for someone and has the potential, athleticism and breeding to go nearly any direction. We've really enjoyed this mare, but simply don't have the time for her.
