CATALOG HORSE SALE
12:00 PM CENTRAL TIME

SCHMITTY'S SALE BARN — TERMS & CONDITIONS OF SALE

- **SALE ORDER:** Horses will sell in consecutive catalog order unless otherwise announced from the auction block.

- **BIDDING:** Both live in-person and online bidding are available. All bidders must be properly registered with the sale office and obtain a buyer's number prior to bidding. Each horse will be sold to the highest bidder, subject to any reserve. The auctioneer reserves the right to reject any bid and shall have final authority in all bidding disputes.

- **ONLINE BIDDING:** Online bidding is available through **cci.live**. Buyers must register and be approved prior to sale time. The sale barn and auction company are not responsible for missed bids, technical issues, or internet failure. Horses will not be released until payment is made in full and verified.

- **BUYERS PAYMENT:** Payment is due in full immediately following the conclusion of the sale. Accepted forms of payment include cash, money order, cashier's check, personal check (with approval), ACH, or credit card. A 4% convenience fee applies to all credit card transactions.

All applicable Iowa state sales tax (7%) will be charged unless a completed tax exemption form is provided.

- **CATALOG & ANNOUNCEMENTS:** Every effort has been made to ensure the accuracy of the catalog; however, the seller, sale management, and auctioneer are not responsible for errors, omissions, or incorrect information. All information is provided by consignors. Announcements made from the auction block take precedence over any printed or digital material. All measurements, including height, are approximate.

- **HEALTH REQUIREMENTS:** All horses will have a current negative 12-month Coggins test and health certificate unless otherwise announced. The sale barn makes no guarantees regarding future health or condition after the time of sale.

- **INSPECTION OF HORSES:** Buyers are solely responsible for inspecting horses prior to bidding. This includes evaluating soundness, condition, scars, blemishes, training level, and suitability. Failure to inspect shall not be grounds for dispute after purchase.

- **RIDEABILITY & SUITABILITY:** It is the buyer's sole responsibility to determine if a horse is suitable for their intended use and skill level. The sale barn and its representatives make no guarantees regarding rideability, temperament, or behavior.

- **SOUNDNESS GUARANTEE (LIMITED):** Unless otherwise announced, horses are guaranteed sound at the time of sale. For a period of 48 hours following the sale, the following conditions apply:

- Horse is sound in eyes and wind
- Horse is serviceably sound on all four feet at time of sale
- Horse has not been nerved
- Horse is not a cribber

(continued)

This guarantee applies only to conditions existing prior to the sale and does not cover issues resulting from transport, handling, care, or use after purchase. This guarantee does not ensure a horse will pass a post-sale veterinary exam. All veterinary inspections should be completed prior to purchase.

All claims must be reported within the 48-hour window. After 48 hours, all sales are final with no exceptions.

- **REGISTRATION PAPERS:** Buyers are solely responsible for obtaining any pending registration papers from the consignor. The sale barn assumes no responsibility for the transfer, status, or completion of registration paperwork.
- **RISK & TRANSFER OF OWNERSHIP:** Ownership and all risk of loss transfer to the buyer immediately at the fall of the auctioneer's hammer. Buyers assume full responsibility for the horse at that time.
- **LIABILITY DISCLAIMER:** All persons attend and participate in this sale at their own risk. Schmitty's Sale Barn, the auctioneer, owners, employees, representatives, and affiliates shall not be held liable for any injury, death, illness, loss, theft, or damage to persons, animals, or property before, during, or after the sale.
- **AGENCY DISCLOSURE:** Schmitty's Sale Barn acts solely as an agent between buyer and seller and assumes no liability for disputes, misrepresentations, or contract enforcement between parties.
- **DISPUTES:** Any disputes arising between buyer and seller are strictly between those parties. However, Schmitty's Sale Barn (including Kyle & Riley Schmitt) reserves the right to make final determinations regarding sale conduct and enforce sale policies at their discretion.
- **HORSE REMOVAL & BOARDING:** Horses must be removed from the premises by 12:00 PM (noon) Sunday following the sale unless prior arrangements are made. Extended stays will be charged at a rate of \$15 per day. The sale barn is not responsible for injury, illness, or loss during extended stays.
- **NO ALLEY TRADING:** No private sales ("alley trading") will be permitted on the premises. All horses must go through the sale ring, and all transactions must be processed through the sale office.
- **DEFAULT ON PAYMENT:** Any buyer failing to complete payment is subject to legal action. The sale barn reserves the right to resell the horse and hold the buyer responsible for any resulting loss, fees, or damages, as well as revoke future bidding privileges.
- **HOLD HARMLESS AGREEMENT:** By participating in this sale, buyers and consignors agree to indemnify and hold harmless Schmitty's Sale Barn, its owners, employees, auctioneers, and affiliates from any and all claims, damages, or legal actions arising from the sale.

Winston (Grade)

NOTES: Meet Winston — a 7-year-old pony gelding who looks like he walked straight off the set of Jim Henson's Muppet Babies. With quite possibly the cutest face ever put on a pony, tiny little ears, and an impressive white mane and tail, Winston is the kind of pony people notice. But don't let that adorable face — or his size — fool you. This little fella can hang with the big horses. Winston recently carried his young rider through the Irish Wilderness on the St. Jude Trail Ride, and those little feet were MOVIN'. He marched right along with the big horses, ears up and ready for whatever came next. Logs on the trail? Over them he went. Rough country? He kept trucking. His job was to take care of his kid and keep up with the crew, and that's exactly what he did. At home, Winston is just as fun. Ride him saddled or bareback. He'll walk, trot, lope, back up — and he'll even stand there while you climb up and stand on his back. Call 573-772-1289

NOTES: Kevin has around 4 months of training. He has been ridden in the arena, down the road, on the trails, and in the pastures checking and moving cows. He has nice smooth gaits, and will ride on a draped rein, or collected up. Feely, athletic young horse that has a lot of potential as a rope horse, ranch rider, or an all around family type horse. NOTES: Meet Cooper, a truly versatile and dependable 15 hand gelding with countless trail miles throughout the Midwest. Cooper is the kind of horse that has seen it all and takes new challenges in stride. He is no stranger to crossing water, navigating ditches and steep hills, or carrying saddle bags down the trail. Cooper is easy to catch and happy to greet you in the pasture. He stands perfectly to be mounted, whether you prefer to get on from the ground or a mounting block. He is an easy keeper, loads easily, and hauls quietly. Under saddle, Cooper has a lovely jog and lope, with a smooth lope departure and effortless transitions. He side passes, performs 360-degree turns, backs softly, and is willing and responsive to his rider. Cooper would be suitable for a youth all the way up to the "galloping grannies" looking to show in the ranch classes. He confidently completes trail obstacles including bridges, gates, log drags, backing through, and side-pass overs. He is equally comfortable riding alone or in a group and has the experience and temperament to make trail riding enjoyable and uncomplicated. Cooper is also a pleasure to handle on the ground. He is easy to clip (including his ears) likes a good bath, and genuinely enjoys spending time with people. He is very friendly, personable, and eager to please. If you're looking for a well-rounded, experienced, and personable horse that you can enjoy both in the show pen and out on the trail, Cooper is worth a look! Contact Kaylee Kapraun: 309-635-2324

PERFORMANCE RECORD: Earner of 31 AQHA points. In AQHA competition: Open & Amateur Perf. ROM; earner.

NOTES: The time has come, and we have decided to offer my very special gelding, Bloopy, for sale. This is going to be a very hard day for us, but we know he is ready for his next chapter and, hopefully, his forever home. This gelding has brought so many of my dreams to reality. He was the first horse to win me my first ranch buckle, the first horse I've ever shown in AQHA, and the first horse to ever earn me the honor of being named AQHA Amateur Level 2 Exhibitor of the Year. He has AQHA points in everything from Performance Halter to Ranch Trail, Ranch Riding, and Working Western Rail. Bloopy is the horse I save to ride at the end of the day just to end my day on an upbeat note. He's FUN. You can ride him any discipline, bareback, bridleless, or any way you'd like, and he will put a smile on your face. Bloopy has been absolutely everywhere with me over the past year and a half. He has won 3 buckles this year alone in ranch events and qualified for the 2026 AQHA World Show. He excels in all of the ranch show events, but if you aren't looking for a show horse, Bloopy is just as happy riding around the farm, taking care of the kids, and being a family horse. He LOVES people, is great to be around, outstanding in a stall, and loves turnout and pasture time. Bloopy is the ultimate hassle-free horse to have around. Zero special care. Zero maintenance. He stays trained with time off and is always ready to go. This horse is truly one of a kind. You won't show him anything new. He is probably one of the best trail horses I have ever ridden. I completely trust him with our 4-year-old son to ride alone, both at home and at shows. Bloopy is extremely brave, both in the show pen and out on the trails. He's an ears-up kind of guy who will get you noticed everywhere you go. He likes to show, enjoys seeing new things, and takes everything in stride. Before we purchased him, Bloopy had also been in head horse training. He has not been roped on in the year and a half we have owned him simply because we aren't ropers, but he is a very above-average head horse as well. At just 5 years old, Bloopy has his whole life ahead of him, and I am looking forward to finding him the perfect forever home. And before anyone asks why he is for sale, I want to remind everyone of something that is important to us: This is our business. This is what we do to pay our bills. We buy quality geldings, put additional training into them, haul them, season them, and resell them when we feel they are ready to go on and make someone else happy. We are not selling these horses because they have a problem. This is our business, and I truly enjoy the training process. Bloopy is very trained, very seasoned, and ready for someone else to enjoy him in whatever direction they choose — whether that's the show pen, trails, a family horse, a rope horse, or a little bit of everything. He is 100% sound, zero maintenance, and has the goofiest, most loving personality you could ever find. He stands 14.3 hands tall. This guy has been my pride and joy and letting him go will be bittersweet. But I know there is someone out there who is going to love him just as much as I do. Buy this gelding with full confidence. No secrets. No holes. Just a truly special horse that is ready to be someone else's once-in-a-lifetime gelding. Current on all cares and basic ppe with soundness letter from our veterinarian. For more information, please give Riley a call at 507-459-8654.

NOTES: Promising young gelding for ranch, cow horse and VRH events. His striking color and chrome will get you noticed on the rail and in the patterns, he's bred for and has had cow training, just needs more exposure to the cows. He has a green flying lead change, can drag obstacles and clear logs. He was Top Ten in the 3 Year Old Ranch Riding at the IQHA Ranch Futurity and is able to go back next year to earn his next owner more money. Owner is retiring due to age and health is why he's available. FMI (319) 461-0414

NOTES: Smoke.... is what we call this gorgeous Gelding. Smoke stands 15 hands tall and has been on our farm for the past 10 months. Smoke is broke the very best and has been exposed to about everything you can imagine. In the barn he is quiet and stalls well and you will typically find him with his head over the door looking for someone to rub his face or ears. Or munching hay with our six yr old sprawled across his back spending time with her big friend. In the arena Smoke rides naturally quiet. Smoke knows his leads and catches them with ease. He has three easy to ride gaits and moves well off of your legs and seat. Smoke has a nice spin and is always looking how to please. Smoke is solid on the trails crossing logs, water, and rough terrain confidently. Smoke has also been to fun shows and play days and is a lot of fun. We've headed on him out of the box several times. He's also been used to sort and push cattle. The thing that makes Smoke special to us is his quiet willing mind that makes him suitable for our youngest children to ride him anywhere with no fear to the advanced rider that likes a fancy gelding. He loves people and attention without being pushy and is always an easy learner when it comes to new things. We recommend Smoke for any level of rider and he sells 100% sound and safe. Feel free to call or text for more info. Sam 7193710571

PERFORMANCE RECORD: Earner of \$5,499. In 2025: Iowa QHA Ranch Horse Futurity Yearling PROSPECT Ranch Open Trail Champion; Iowa Ranch Horse Extravaganza Futurity Yearling Open Ranch Conformation Champion; Iowa QHA Ranch Horse Futurity Yearling High Money Award Open Champion; 7th Iowa Ranch Horse Extravaganza Futurity Yearling Ranch FUNDAMENTALS Open.

NOTES: EARNINGS UPDATE: After the 2026 Iowa Ranch Horse Futurity Show, Spanky has surpassed \$14k in earnings! Winning the Open 2 Year Old Ranch Trail and Non Pro 2 Year Old Ideal Class, plus a Reserve in the Non Pro 2 Year Old Ranch Trail, it put him at \$8,718.23 for his 2026 earnings. With \$5,498.50 LTE as a yearling, "Spanky" is bound to end up as one stand out show horse! His deep blood bay color, perfect facial marking, pleasant expression, white legs, cadence and smooth topline are all part of what makes him easy to watch. Trained by World Champion Wyatt Hansen, he was started right and has not been pushed. Spanky's been ridden outside the arena more than in one. Down the road, thru the cows, out in the hayfield and on the trails, he handles it all in stride and he does not change even when his surroundings do. He has been started on flying lead changes, spins and sliding stops, and he is a natural for the ranch trail and ranch riding. His versatility as a show horse is limitless. As a yearling he won the Yearling Conformation Class at the Ranch Horse Extravaganza & Futurity, and the Yearling Prospect Trail at the Iowa Ranch Horse Futurity; the judges can't ignore him. Spanky will be shown at the Iowa Ranch Horse Futurity prior to the sale, and at Schmitt's Ranch Show, so his LTE is bound to grow before he sells. Take advantage of this opportunity for a top end gelding who can be molded into exactly what you want. FMI call (515) 231-9267

NOTES: Allie has had two years reining training at Price Performance Horses. Two-million-dollar rider and two time Run For A Million Champion! Allie is bred in the purple and came right off the family that raised her. She's very simple and user friendly. Slow pitter patter trot, smooth flowing extended trot, and a soft rocking chair lope. She will pivot slow or spin as fast as you'd like! Big stopper with huge slides that will get you noticed anywhere. We have transitioned her to showing ranch riding and she loves it! Brannon who is 6 has shown her walk trot and Layne who is 3 takes her in lead line! Walk over bridges, drag a log, or just trot over the poles. Allie takes everything in with ease. Neck reins fantastic and guides around effortlessly. She will ride in the arena, down the trails, or through the fields. Allie has a great personality when my little ones come to the barn. She's super sweet and kind. She enjoys being lead around by them while she keeps her head down at their level. They can brush her, bathe her, and pamper her like the queen she is! NOTES: "Curly" is an adorable 14.1-hand gelding that turns heads everywhere he goes with his incredible hair! He has a mane that falls well past his shoulder, a beautiful flowing tail, and a rich, deep chocolate palomino coat that makes him truly stand out. Curly is as family-friendly as they come. He has all the fancy reining buttons when you ask for them, yet he's just as happy packing the kids around or enjoying a relaxing trail ride. He has a sweet, willing disposition and genuinely enjoys taking life slow and easy. On the trail, Curly is a pleasure to ride. He never gets in a hurry, takes everything in stride, and isn't easily rattled. He loads, hauls, unloads, and will tie quietly to a hitching rail overnight without any fuss. He's content bringing up the rear on a group ride and happily walks through water crossings without hesitation. Curly is puppy-dog gentle with the kindest personality you could ask for. We've also shown him in ranch riding and ranch trail, where his confidence over obstacles and laid-back attitude make him enjoyable both in and out of the show pen. This gelding would be an outstanding 4-H partner or weekend show horse for a family looking to do a little bit of everything. Whether you're trail riding, showing, or simply enjoying time in the saddle, Curly is versatile, easygoing, and incredibly user-friendly—the kind of horse so many people are searching for. Curly is safe and issue free. We are his second owner. He was bred with a purpose, being sired by Custom Crome and out of Spinderella Whiz! Current on all cares, sells with basic ppe and soundness letter from our veterinarian. For more information give Riley a call at 507-459-8654.

NOTES: DJ is a gorgeous, thick-made dapple gray gelding standing 15.2 hands and weighing approximately 1,400 lbs. He has tons of shape, great conformation, black legs and hooves, a long mane and tail, and a beautiful head. DJ is the definition of versatile! He is patterned on the barrels and poles, has been roped off of in the pasture and feedlot, and has been started in the box. He has carried the flag at rodeos and jackpots, been through parades, and has hundreds of miles of trail experience. Used in our lesson program for 2½ years. Ridden by children and multiple levels of riders. Quiet enough for a novice rider. Guns have been shot off him & fireworks around him. Stands like a statue to mount and dismount. Excellent ground manners. No spook, no bad habits. Athletic, willing & extremely good-minded. At only 5 years old, DJ already has the experience of a much older horse with his whole future ahead of him. Whether you want a family horse, trail partner, rodeo horse, ranch horse, or performance prospect, DJ has the mind, ability, and looks to do it. DJ sells 100% sound in mind and body and is up to date on vaccinations, deworming, farrier care, and dental work. Be sure to come meet DJ in the demo. He is one you'll want to see in person! NOTES: "Joker" is the most kind, willing young gelding, and he has truly been one of my favorite projects this summer. I've had an absolute blast showing him, and WOW has this horse taken a liking to the show pen and really shined! Just a couple of weeks ago at the IQHA Futurity, Joker was the Champion in the 3-Year-Old Non Pro Ranch Trail AND Ideal Ranch Rail, taking home right around \$6,400 in earnings! He also finished 3rd in the Overall 3-Year-Old Non Pro Average. Earlier this summer, he was the High Point 3/4-Year-Old at the Hawkeye Classic. This gelding hauls like an old seasoned pro and adjusts to new environments with ease. He is extremely brave with all of the trail pattern obstacles and doesn't get nervous on the rail, even in huge classes. He has been an absolute blast to show. He truly is an old soul in a young horse's body. Joker is always eager to please, extremely kind and lovable to be around, and has the smoothest way of moving. Outside of the show pen, I've put a ton of general riding on him around the farm, down the road, and through the fields. He has been around cattle, is good with a rope, and is great with kids and all of their loud, noisy toys. My boys have even shown him in leadline. He is just a very safe, dependable young gelding. Joker stands roughly 15.1 hands, is absolutely sound, has no vices, and saddles up gentle every single ride. He is a very easy horse to have around and does not need to stay with a trainer to stay trained. He is also eligible to go back to the IQHA Futurity next year, giving his next owner another opportunity to take this young horse back and win some money. Joker is just a really, really good young gelding that I have thoroughly enjoyed having around. He is ready to go be someone else's number one, whether that's in the show pen, rope horse futurities, or simply as a nice family horse. I'm excited to see what this special gelding does for his next person. Current on all cares and basic ppe with soundness letter from our veterinarian. For more information please give Riley a call at 507-459-8654.

NOTES: "Rex" is a super cute, stout-built, bright red roan gelding standing 14.2 hands tall. He had cow horse training earlier in life and has since been used as a nice, well-rounded general riding horse. Rex can spin, slide, work a cow, and do all the cool things, but the best part about him is that he likes to ride slow and easy. He has a super smooth jog and a slow, collected lope. He knows all of the ranch show maneuvers and obstacles, making him a really fun and versatile horse to have around. We believe this gelding will suit a wide variety of riders. He is pretty straightforward and easy to ride, and he is a nice, peaceful trail horse. Rex has also been ridden on the ranch checking cattle and is comfortable getting out and putting in a day's work. If you're looking for a good-looking, handy gelding that you can enjoy in the show pen, on the trail, or around the ranch, Rex is one you'll want to take a look at! Current on all care, sells with basic ppe and soundness letter from our veterinarian. For more information give Riley a call at 507-459-8654.

NOTES: This gelding will be hard to replace! Taco has been so special to us and has won my daughter her first trophy and ribbons, making him a core memory to a 6 year old girl! He has been a complete confidence boost for her, instilling the feel of what a true broke horse should feel like. Taco has been completely seasoned in the barrels, poles and most play day events mainly by my daughter who is also new to the competition as well. Together, day in and day out, they have practiced the patterns and put in the effort to improve their runs. If this gelding could talk, he could write a book! He has been many miles whether it was using him for all aspects of ranch work or covering beautiful trails and national forests. He is a finished head and heel horse, that has been roped on from the 14's down to the 7's. Taco has been seasoned for several winters in Arizona being hauled to ropings adding earrings to his career. But most importantly he has been a baby sitter for not only the littles but for grandma too! He has been shown in local Ranch Trail and Ranch Versatility classes by both youth and aged riders in the same day, adding ribbons to the wall. Taco has a huge personality and absolutely loves attention and to be involved. He is a solid citizen, whether you're looking to advance your show career or want to leisurely enjoy your surroundings. Don't miss out on an exceptional gelding! 417-772-4142

NOTES: "Duke" is a handsome bay dun gelding who is ready to take you anywhere you want to go. Sired by Starlights Boomerlic, AQHA Reserve World Champion, and out of Docs Finally Dunit, a proven producer. Current LTE at \$11,494.43. This young gelding has an easy-going attitude and will be one any family member can enjoy! Bred, raised, trained, and shown by us. He is ready to hit the show pen and compete in all the ranch events or take you down the trail. His earnings record speaks for itself. He has proven himself against the highest level of competition in the ranch rail, ranch trail, and ranch riding including in the Open classes! Has all the maneuvers you need and has recently been started on boxing and cattle work. He is showing a lot of cow sense and athletic ability, not just a pretty boy! Just last month he earned another \$2,450.32 at the IQHA Ranch Horse Futurity. Don't want to show? This gelding an absolute Cadillac to trail ride. He watches his feet and picks his way down steep ravines, watches for logs, and gracefully climbs up big boulders! Duke is the one I grab when our 18 month old toddler wants to ride. No worries from this momma about safety when it comes to Duke. He has a heart of gold with the athleticism and trainability to match. Our nickname for him is "Steady Eddy". He is roughly 14.3 hands tall. Neat and tidy in a stall, but also enjoys turnout time. Easy keeper and no maintenance. IQHA Ranch Futurity eligible. Current on all cares. PERFORMANCE RECORD: NRHA earner of \$874. In 2024: top 10 Congress Reining L1 Open Futurity; 9th Music City Slide Reining L4 Open Futurity; top 10 All Star Reining Stakes L1 Open Futurity; split 5th McGee Farms Reining L1 Open Futurity; finalist Music City Slide Open Reining Futurity L2.

NOTES: Cody is a cute, stout-built sorrel gelding standing 14.3 hands tall. He is sired by Electric Code, a million-dollar sire with NRHA LTE of \$215,402, and out of a daughter of Smart Spook, a \$9 million sire with NRHA LTE exceeding \$405,079. Cody has been shown in the reining and comes equipped with all the right buttons. He's a strong stopper with the build and athleticism to excel as a top-end heel, breakaway, or calf horse. He has also been exposed to the outdoors and has been ridden through county parks, over bridges, through water, along the road, and through various desensitizing obstacles. Cody is learning to extend his jog nicely and is progressing well over jog poles. With a little fine-tuning, he would easily transition into the ranch show pen. Cody was purchased for Schmitt Horse Ranch back in April. Unfortunately, due to recent health issues I am no longer able to ride and he's too good of a horse to stand in the pasture. I will be at the sale if you would like to speak with me about Cody. Agent: Kyle Schmitt 608-434-4789 Brother to CODED N MARYJANE, CC SPOOKY BELLE.

NOTES: "Sable" is a stunning, sleek bay gelding with a mane, tail, and forelock you could only dream of! This gelding is trained in the reining and was lightly shown by his previous owner. He is a huge stopper, fancy turner, and eye-catching mover with the look to get you noticed everywhere he goes. Since coming to us, we have started Sable in the ranch events and hauled him to our local shows. He has a keen way of moving with a stunning extended jog, and with some finishing touches and seasoning, we believe this gelding could become a big-time contender in the ranch show pen. We've also ridden him down the road and through the fields, and he has a nice, confident, country-covering walk. He is the kind of horse you can enjoy outside of the show pen as well. Sable has the foot speed and huge stop to make an exceptional switch-end rope horse if you choose to take him in that direction. A beautiful, talented, versatile gelding with a lot of potential and a bright future ahead of him. Stands roughly 14.2 hands tall. Current on all cares and basic ppe with soundness letter from our veterinarian. For more information give Riley a call at 507-459-8654.

NOTES: Jackpot Road is a gorgeous registered 14 hand Palomino geld that our family has been riding for the last 6 months. We purchased Jackpot directly from his breeders and he is sired by none other than the great Yellow Roan of Texas out of a daughter of Miss N Cash who has offspring earnings of over 4.6 million. Jackpot is a friendly lovable guy that loves attention, baths, and being loved on. In the arena Jackpot lope circles, knows his leads, and moves well off of leg cues. Hes started on his spins and has a good sliding stop. He's also been started on the flag. Jackpot is solid on the trails crossing logs, brush, and creeks willingly. We have used Jackpot to push and sort cattle and have also roped out of the box on him. Jackpot stays smart and engaged tho at the same time Jackpot is an easy ride that never gets fresh even with time off and is being ridden by riders as young as 6 yrs old and yet is sharp and athletic enough to go do most any job. Jackpot sells 100% sound. FMI call Samuel 7193710571

NOTES: Eddy is the perfect fit for the whole family to enjoy & love!! We have had Eddy for about a year and have used him for EVERYTHING! We have used him in our lesson program, shown him at a few AQHA shows this summer where he has earned points in the ranch riding, ranch trail & rail in the Open and Youth divisions. Eddy has also been an 11 year old girls 1st show horse at the open shows all summer showing in everything from Halter, SMS, ranch classes, HMS and even the barrels and poles just for fun! He has a few points in the reining also. We have trail ridden Eddy on day rides & overnight trips. He is such a beautiful and kind gelding. Everyone around the barn loves him!! Eddy does all the little things really well. He clips, bathes, loads, hauls great and settles in wonderfully. No spook, no worrying about him being a different horse at a new place. He is a wonderful horse for a beginner rider to start their show career on!! No bad habits. Eddy stands 15 hands. He does require some maintenance, like so many other successful show horses. Feel free to call Becky Hagey at 712-303-7989 for more information.

Clarice (Grade)

NOTES: Born, raised, and trained right here on our ranch in Chatfield, MN. Clarice stands 15.2 hands, is a gorgeous dark gray color, and has a curious, inquisitive disposition that everyone falls in love with, plus a beautiful long mane and thick tail. Started under saddle at 2 and continued with all Downunder Horsemanship fundamentals. Clarice has real-world miles: trails, cattle work, ranch work, and ranch horse show experience as well as the start of some dressage maneuvers. Under saddle she is soft and responsive: one-hand neck rein, leg cues, takes her leads, pivots, sidepass, half pass, collection, extended trot, and jog. On the ground she is hobble trained and desensitized to stock whips, tarps, dragging objects, and obstacles. No vices or bad habits. Loads and hauls great, stands for farrier and vet, rides out alone or in a group. Clean vet exam on file. 100% sound and healthy with zero blemishes. So fun to ride with impressive movement and a soft feel in your hands. Clarice is by the great Friesian Stallion "Xander" and is eligible for registration with the Friesian Sporthorse Association. Primarily ridden western, she would transition to English easily and has the potential to excel in western dressage, dressage, or as a jumping prospect. She's just as happy heading down the trail. NOTES: "Rodney" is a handsome dappled buckskin gelding that has been used for a bit of everything. He's solid down the trails, crosses, brush and water with ease, and is traffic safe. He has been around lots of cattle and has even been to a few small horse shows. Rodney has a fancy handle and has the get-up and go when asked if you have a bigger job for him than just a trail horse. Gentle as they come to handle and be around and rides the same with time off. This handy sized gelding will get you noticed when out and about, and you'll always be well mounted! Stands roughly 14.2 hands but stout enough for any sized rider.

NOTES: This mare is all business and stays on task under saddle. She has won money in limited hauling for breakaway. She hasn't been roped on this year, so a little practice may be in order. Started in heeling & goat tying. She is my daughter's horse; we used her for high school rodeo, daughter is getting ready for college. Fegie is well broke & a feely kind of horse. She'll jump in the trailer saddled, with geldings, & haul to pastures to check cows. She will stand like a rock in the middle of the herd to get a look at everything. With all the work ethic for an unglamorous job, she's not afraid to get down & dirty. She also appreciates getting dolled up for town: bath, braids & a little Pepi & there is nowhere you will take her that you won't get (multiple) compliments, guaranteed. She will do whatever is asked. She is ate up with cow & and responsive under saddle. I think she'd do great in Ranch Riding & Versatility. Ranch work 1 day, Breakaway or Versatility the next, and a leisurely trail ride on the 3rd day; she's your gal. She's best suited for a rider that is confident or somewhat skilled, not because she's unsafe but because she is sensitive and well-broke. She's not a dead-head. Disclaimer: she does have weaving tendencies if stalled a lot or for long periods. She does great with food in front of her. If she has hay, she's a happy camper. She'll be stalled overnight in preparation for this sale & I will have video available of what she's like. Most times you wouldn't know it, but it's there. We don't have a problem when hauling or when we stall at home for a few hours during the heat of the summer day. Scar on the front of her left hind leg she's had since we've owned her; no issues. She mostly goes w/o shoes; great feet to go barefoot, but we did just put shoes on at the end of this summer with a variety of terrain that we are riding her in. 14.2 hands 218-821-0109

Diego (Grade)

NOTES: Diego is a 14 -year-old grade Quarter Horse gelding who has packed a lot of living into his handy 14.2-hand frame. He's a been-there, done-that kind of horse with plenty of miles under his belt. Diego was a Ken McNabb Trail Rider University horse and recently was used in the two-week Ken McNabb clinic in Lovell, WY. Our 11 year old grandson rides him on our ranch now doing chores and trail riding. Diego can match any riders ability and perform well! He is rides on a loose rein, yields to leg pressures, changes leads and is well broke for anyone. He's carried my grandson through the Irish Wilderness on the St. Jude Trail Ride and is genuinely happiest when there's somewhere to go and something to see. Diego will ride out alone or settle into a group, and he's the kind of horse that makes you want to pack a lunch and stay gone awhile. At home, Diego is easy to have around. He loves being groomed, walks quietly beside you on a lead, stands tied patiently, and knows his groundwork. He stands quietly for the farrier, pastures well with other horses, and hauls great. Diego has seen some country, carried a lot of different riders, and collected plenty of miles along the way. Diego still has plenty of adventures left in him. We'd love to see his next person be someone looking for a handy-sized, seasoned gelding to saddle up and go make some more miles with. For information, call 573-772-1289

Blueberry (Grade)

NOTES: This a pony wise beyond her years! It is SO rare to find them this naturally sensible and friendly from day one. She is remarkably mature for her age, both mentally and in her training, and has already had an impressive amount of exposure. Though she may not have years of extensive training under her belt, Blueberry has proven herself to be uniquely intelligent and trustworthy. She has been trained with an emphasis on creating a confident, willing, and easy-to-handle youngster rather than rushing her. She has a wonderful foundation established and has been well taken care of. Blueberry has been exposed to a variety of experiences and situations, giving her a level-headed attitude and confidence that is hard to find in a youngster. She's been lightly started driving and is going to be a smooth ride in the years yet to come. This is a high quality filly with a bright future. She would make an outstanding project for an experienced youth rider, family, or an experienced horse person looking for a young horse with a head start and a wonderful temperament. She is 100% sound and has excellent ground manners, letting you lead, load, bathe and groom her. 417-772-4142

NOTES: If you're looking for a young horse with the mind and maturity of an older horse, take a look at Habibi. This 4-year-old black gelding has the kind of experience and attitude that makes him stand out. He's been exposed to roping, chasing steers, and trail riding, giving him a solid foundation outside of the arena. Habibi has recently been sent to a reining program for a tune-up leading into the sale, adding another level of training and polish to an already well-minded horse. He is quiet, mature, willing, and versatile, making him a great prospect for a family, a non-pro, or someone looking for a horse they can take home and continue developing while having the potential to go show. A young horse with an old-horse mentality — Habibi is one you'll want to have on your list come sale day. Habibi — young in age, mature in mind, and ready for his next job.

NOTES: Bean is the ultimate "in-your-pocket" horse. She loads, ties, and stands at the hitching post. She's great for the farrier, too—provided he doesn't mind getting gentle, loving caresses on his back mid-hoof trim. She'll watch you check fences, chase your truck down the lane, play with the water hose, and lovingly clean your beard whether you asked her to or not. Middle-of-the-pack in the pasture, loves everyone, and has more personality than a barn full of geldings. Don't let her sweet face and funny disposition fool you - under saddle she needs a confident rider, as she will, on occasion test her rider.

Due to owners life circumstances, River sat his 3 yr old year and has had moderate riding since. He has been in 30 days of training and progressing well! River stands 15.2. He will ride around both directions, pick up his leads, and transitions between gates. He's starting to get all the buttons, neck reins, and work off leg pressure. River would be best suited for an intermediate rider due to current level of riding. He thrives with a job and wants to please. Keep working him this winter and send him back in the show pen next spring! Contact Bri Chaplin for more info 651-485-7268 HYPP N/N.
