EQUINE EXPRESS TRANSPORTATION

Equine Express NA, Inc. has partnered with Triangle Sales to offer a safe and reliable way to get your new purchase home from the sale. After the new owner (if available) or Triangle Sales (acting as agent for the new owner) signs the transportation Bill of Lading contract (releasing Equine Express of responsibility, but under our liability), we will remove the horse from the sale grounds by the deadline given by Triangle Sales. The horse will come to our facility in Pilot Point, TX, as a layover until the horse can board one of our trucks to your destination. Triangle Sale horses will take priority, but we don't run every route every week, so some horses will have to layover with us longer. All new owners of the sale horses will be responsible for \$25/day board while with Equine Express. Board will include Purina feed, coastal and alfalfa hay, a clean private stall, and daily turnout (if requested). PLEASE NOTE: We service most of the United States, but there are some areas that are hard to service. Please call and talk to the dispatcher about your specific destination. Also, Equine Express works with Equiflight, LLC to fly horses internationally.

How to set up shipment for your horse with Equine Express NA, Inc!

1. Call Caleb Alexander, our sale representative, and ask for a quote from the Triangle Sale to the town and state where you want the horse delivered. Please have ready the age and gender of the horse(s) you are considering from the sale.
2. Go to www.equineexpress.com and click "Book Trip." This will be a form you fill out with your information as the customer, where the horse is located, where you want it delivered, horse info, and quoted amount. There is NO booking fee or deposit. We understand this will be a tentative booking, depending on if you purchase the horse or not, but it gives us an idea of how to best plan transportation for your horse. We will take credit card info for the entire transportation and board amount, once you know you have purchased a horse.
3. If you are not at the sale, but purchase a horse, please call Caleb directly, so we can get the transportation and sale paperwork taken care of for you!

PRIVATE SALES COMMONLY REFERRED TO AS “ALLEY SALES” ARE NOT PERMITTED

IF A HORSE IS “REPURCHASED” OR “PASSED-OUT” IN THE AUCTION ARENA, THE SUBSEQUENT SALE OF THAT HORSE WHILE ON THE SALE GROUNDS IS ENCOURAGED PROVIDED ALL SETTLEMENTS ARE MADE DIRECTLY TO THE SALE CASHIER.

NO AUCTION ARENA GUESTS

Liability and strict auction policy allow no person(s) in the auction arena while a horse is selling except representative(s) of that horse.

ANNOUNCEMENTS/OWNER PARTICIPATION

Owners are not allowed to personally use the auction PA system to comment as a horse is selling. Diligent attention and great expense have been made to secure extremely qualified announcers and auctioneers at the sale. If an owner has additional details to add to the sale of a horse, it may be done by submitting a written note for announcement or commenting clearly to the professionals on the auction block for announcement.

ANNOUNCEMENTS

ABSENTEE BIDDING – The sale will be available for online bidding through Superior Auctions. Please see more information on **HOW TO PARTICIPATE AS AN ABSENTEE BUYER** on page 1. If you plan to use this service it is recommended that you register as soon as possible to prevent any delays in being pre-approved. These steps must be completed by Wednesday, November 4 at 5:00 pm.

BUYERS RAFFLE – Triangle Sales is donating custom coolers, Roy Henderson spurs and Ron White saddle blankets to be raffled off during the Historic Stockyards Session. GENETIC TESTING – Included in this catalog is an explanation of the AQHA Genetic Testing. Every effort has been made to supply known and accurate results.

TRANSFER INFORMATION – Membership in AQHA must be current in order to transfer a horse into your name. Memberships are paid annually. If you need an AQHA membership, please call AQHA (806) 376-4811 so that your transfer will not be delayed.

GENETIC DISEASE RESULTS AND DESCRIPTIONS

Genes come in pairs; each parent contributes one copy to the offspring. With respect to the autosomal dominant genetic diseases listed below (HYPP, PSSM, and MH) only one defective gene is necessary to express the genetic disease in question. Such gene can be inherited from either of the parents or from both of the parents. With respect to autosomal recessive genetic diseases listed below (GBED and HERDA), typically, two copies of an abnormal gene (two copies = 1 pair) must be present in order for the horse to show signs of the genetic defect in question. Horses with only one copy of the defective gene are considered "carriers".

GBED – Glycogen Branching Enzyme Deficiency. Fatal disease of newborn foals caused by defect in glycogen storage. Affects heart and skeletal muscles and brain. Inherited as a recessive gene.

Possible results:

N/N	Normal – horse does not possess the disease-causing GBED gene.
N/G	Carrier – Heterozygous (one normal and one GBED gene).
G/G	Affected – horse has two copies of the GBED gene.

HERDA – Hereditary Equine Regional Dermal Asthenia. Skin disease characterized by hyperextensible skin, scarring, and severe lesions along the back of affected horses. Typical onset is around 2 years of age. Inherited as a recessive disease.

Possible results:

N/N	Normal – horse does not have the HERDA gene.
N/HRD	Carrier – horse carries one copy of the HERDA gene.
HRD/HRD	Affected – horse has two copies of the HERDA gene.

HYPP – Hyperkalemic Periodic Paralysis. Muscle disease caused by defect in sodium channel gene that causes involuntary muscle contraction and increased level of potassium in blood. Inherited as a dominant disease. Two copies of the defective gene produce more severe signs than one copy.

Possible results:

N/N	Normal – horse does not possess the disease-causing HYPP gene.
N/H	Hyperkalemic – Heterozygous (one normal and one HYPP gene).
H/H	Affected – horse has two copies of the HYPP gene.

MH – Malignant Hyperthermia. Rare but life-threatening skeletal muscle disease triggered by exposure to volatile anesthetics (halothane), depolarizing muscle relaxants (succinylcholine), and stress. Presumed inheritance as a dominant disease.

Possible results:

N/N	Normal – horse does not have the MH gene.
N/MH	Affected – horse has one copy of the MH gene.
MH/MH	Affected – horse has two copies of the MH gene.

PSSM1 – Polysaccharide Storage Myopathy Type 1. Muscle disease characterized by accumulation of abnormal complex sugars in skeletal muscles. Signs include muscle pain, stiffness, skin twitching, sweating, weakness and reluctance to move. Inherited as a dominant disease.

Possible results:

N/N	Normal – horse does not have the PSSM1 gene.
N/PSSM1	Affected – horse has one copy of the PSSM1 gene.
PSSM1/PSSM1	Affected – horse has two copies of the PSSM1 gene.

Recipient mares sell with no deposit due nor expectation of return unless otherwise announced.

7 RIGHT OF RETURN – 48 HOUR RULE

BUYERS CANNOT HAVE A VETERINARIAN PERFORM WHAT IS KNOWN AS A COMPLETE PRE-SALE EXAMINATION OF ANY HORSE AFTER PURCHASE. In the event that any horse is not as represented in the sale catalog or as announced, or if owner fails to disclose at time of sale any of the limited warranties described in Paragraph 5 above, horse is subject to return by the buyer.

AuctionWare, LLC may require testing by a second veterinary source of its choice to determine if the horse had the issue at the time of sale. Said veterinarian's decision will be final.

If the veterinarian determines that the issue or defect(s) was present at the time of sale and was not announced, the horse will be subject to return. Upon any such return, the owner will owe Auctionware, LLC the sale expenses and sale commission (8%) or \$1,000.00, whichever is greater, and the cost of all veterinary services performed. All arrangements and expenses to return the horse are solely those of the owner.

If the horse is found by the second veterinarian to not have the alleged issue or defect, the sale of said horse is valid and enforceable and the buyer assumes all costs associated including veterinary services.

It is the intent of AuctionWare, LLC to make every effort to record the entire auction which shall be used to settle disputes regarding statements made about horses while in the auction arena. In the event of disputes, the final veterinary examination and recording will be used to settle said dispute.

8 UPSET BID

Unless waived by announcement, there shall be a minimum "upset (starting) bid" of \$1,000.00 for any horse presented for sale. If the "upset (starting) bid" is not received, the horse shall be automatically considered withdrawn by the owner as unsold and all expenses become due by owner to AuctionWare, LLC. No horse will be sold for less than \$1,000.00.

9 OWNERS RIGHT TO BID

This auction is conducted "with reserve", meaning the right to bid is reserved by the owner. To protect the desired sale price for the horse, owner or its representative must:

- a. be the final bidder and sign the Buyers Acknowledgement Of Purchase And Security Agreement OR
- b. deliver a completed official reserve bid form to AuctionWare, LLC, (either in the sale office or at the auction block with assistance of a sale staff member) prior to the sale of the horse OR
- c. instruct AuctionWare, LLC, or its designated representative of the amount of the reserve bid

Owner must make known to AuctionWare, LLC for announcement that the horse has been repurchased or passed-out BEFORE LEAVING THE AUCTION ARENA. UPON REPURCHASE, OWNER AND BIDDERS ARE ENCOURAGED TO COMPLETE A SALE, IF POSSIBLE, AND AGREE TO STRICTLY HANDLE THE TRANSACTION THROUGH THE SALE OFFICE.

AuctionWare, LLC reserves the right to bid on the behalf of the owner up to the amount of the reserve bid. If the owner or its representative makes a final bid equal to or greater than the reserve, owner will pay the 8% sale commission due.

10 BIDDING PROCESS, DISPUTES, MALFUNCTIONS

The Auctioneer reserves the right to reject any and all bids. Should any dispute arise between two or more bidders, the Auctioneer shall settle said dispute and that decision shall be absolute, final and binding on all parties. BIDS RECEIVED AFTER THE FALL OF THE AUCTIONEER'S GAVEL ARE NOT GROUNDS FOR DISPUTE.

In case two or more bidders claim the final bid, the Auctioneer may re-open the bidding procedure and ask for advanced bids, solely between the bidders having claimed the last bid. If there is no advanced bid, the horse shall be sold to the bidder from whom the Auctioneer recognized the final

bid. If the bid should be reduced below the disputed bid, the Auctioneer may re-open the bidding with the highest bidder becoming the buyer regardless of whether the final bid equals or exceeds the original disputed bid.

In the event of known equipment malfunction, the auction will be stopped. If the malfunction has not affected the sale of horses sold prior to the malfunction, they will be considered sold. The auction will proceed upon correction of the malfunction.

Additionally, buyer agrees to hold harmless AuctionWare, LLC for such loss or damage. TITLE AND RISKS ARE ASSUMED BY THE BUYER WHETHER OR NOT SETTLEMENT AND DELIVERY HAVE BEEN MADE. THIS SHALL ESPECIALLY BE THE CASE WITH PURCHASES MADE BY PHONE OR ONLINE.

12 BUYERS ACKNOWLEDGEMENT OF PURCHASE AND SECURITY AGREEMENT

After making a winning bid on a horse, a Buyers Acknowledgement Of Purchase And Security Agreement will be completed by the buyer (or on behalf of the registered phone/online bidder) that will confirm the hip number and final sale price for invoicing and transfer. Any buyer who makes a winning bid and signs (or so authorizes the signing of) the Buyers Acknowledgement Of Purchase And Security Agreement is responsible for that purchase and cannot assign new ownership to a second party unless approved by AuctionWare, LLC. In the event a clerical mistake is made regarding the written entry of the final bid on the Buyers Acknowledgement Of Purchase And Security Agreement, that correction will be made with no liability to AuctionWare, LLC. All disputes regarding final bids shall be settled by Auctioneer and/or sale recording.

13 REALES

If the highest bidder fails to immediately execute the Buyers Acknowledgement Of Purchase And Security Agreement or otherwise fails to comply with these terms or in the event of an announced mistake by the Auctioneer, AuctionWare, LLC reserves the right to accept the same purchase amount from another buyer, accept the next highest bid, put the horse up for sale a second time, or retain the horse for the owner as unsold. However, nothing shall prevent AuctionWare, LLC and/or the owner from pursuing whatever legal remedy may be available to compel the original buyer to perform as set out herein.

NOTES: This excellent mare has cutting and cowhorse royalty in her pedigree! She is VERY cowy. She has won money in sorting and she went to the RSNC Finals. She is an easy keeper, stays barefoot, rides outside and is the same after weeks off. She has always been sound to our knowledge but does have a scar on her left hind leg. NOTES: This is a very smooth moving, athletic mare that is full of cow! She has had 4 yrs of cutting training, and is a finished cutting horse. She has been shown a limited amount of times due to no fault of her own, however. She wins a check 9 times out of 10 just on her beautiful style alone. She has had many miles of gathering pastures and has sorted hundreds of cattle on the ranch. She has been started on the Heel-O-Matic on the heel side, and is also cruising a nice barrel pattern. This mare excels at every task we ask of her, and has the talent to go on in any discipline! She craves the work! Trained by Cody Hall and Don Crumpler. She was The Non Pro Intermediate NP finalist, World Cutting Horse Assoc World finals-\$25,000 Novice Horse Champion, 2020 Bonanza Cutting 5/6 Yr Old NP finalist. Marked a big 77 to win it! Will be shown on cattle sale day.

He is going to make a super nice head horse with the size, mind and athletic ability you are looking for in a rope horse. Or, make him your next great ranch horse. Gentle, gentle. NOTES: "Twinkie" is an absolute knockout with his stunning golden color and snow white mane & tail that goes on forever! He definitely turns heads everywhere you take him. His inquisitive, loving and sweet personality will seal the deal. His calm and quiet demeanor will make you fall in love over and over. He has been trained in reining and does all maneuvers easily. He has a comfortable jog and lope on a draped rein and is more of a push-style horse. If you think whoa, "Twinkie" slides to a stop. He has stylish spins, easy lead changes and you can close your eyes in a run down and he stops pretty every time. He has a naturally level headset and is an elegant mover. He has Ranch Riding and Ranch Versatility written all over him. He guides willingly and directly. He has been all over our ranch and would make the fanciest ride for the ranch foreman. He walks out nicely, easily side passes to the gates, and knows what a days work is all about. If you need to go rope a steer in the pasture and doctor one, he will work the rope and do his part. Always gentle and completely beginner friendly. He is a super fun horse to have around the barn and always game for whatever the day may bring. Whether his job is babysitting the kiddos or packing around your mother-in-law or spending a day in the sorting pens or out on the ranch, "Twinkie" will be your go-to. Nothing bothers this gorgeous gelding. Bring on the rough terrain and mud, blowing tarps, crazy dogs, noisy traffic, loud gunfire, pushy pigs and even a giant camel. He is a barn favorite and the entire package. Black-type pedigree, stunning looks, balanced conformation, puppy-dog disposition and the talent and willingness to do anything you want to horseback.

Not to mention, he is level headed and tries hard to please. All up to date on shots and worming. Should finish out at 15.2 hands and 1250 lbs. Future Fortunes eligible.

NOTES: We've enjoyed owning "Mona Lisa" since she was a yearling. This talented mare carries herself with a rare elegance that matches her fancy looks. "Mona Lisa" is a perfect representative of her championship bloodlines, bred for versatility and ability. She's incredibly quick footed and cats around with a lot of style. Exceptionally well broke, making a standout rope horse. She is quiet in the box, breaks flat, flies down the pen, really cows to a steer and finishes with a beautiful stop. She has seen a lot outside miles, sure footed and sensible through the roughest terrain. She has experienced the rugged mountains of New Mexico, elk hunting. "Mona Lisa" is patterned on the barrels and has been hauled to several races and team ropings to see the sights of town. Easy to shoe, clip and bathe. She enjoys the attention and always wants to please. She fits right in with the geldings. This beautiful mare is ready to go in the show pen (reining or cow horse), roping arena or ranch, she has a solid foundation that will enable her to be successful in whatever discipline you choose. Will be roped on sale day.

NOTES: "Slick" might be the biggest, prettiest, almost chocolate palomino gelding we have come across! He is that horse that everyone wants to own so their family has a safe reliable ride whenever they want. Stands 15.1 hands and has a big sloping hip, a kind eye, a pretty neck and shoulder. He has been ridden in a feed yard and used to pony colts his whole career. He has occasionally been to parades and ridden down in the canyons. "Slick" has also been used as a lesson horse for some younger kids. He is as honest as he is pretty, there are no tricks or guesswork to him. He is the same gentleman no matter if you ride him once a week or once a year! He has a solid ranching background and it reflects in his manners and his riding style. He is one handed broke and has a big stop. Stout to the horn, he is willing to try anything you ask of him. He is a true joy to have around and a barn favorite!

NOTES: "Cruz" has the "wow" factor and chrome for days! If you love bald faces and blues eyes, here is your guy! "Cruz" is one cool ride that is a total eye catcher. This gelding is an all around gentleman and very easy to handle on the ground and on his back. "Cruz" has been shown and has won a little money in reining and ranch riding on a local level. He performs all the maneuvers and wants to please. He is a total sweetheart and loves attention. He will meet you in the pasture and is eager to do any task you throw at him. "Cruz" is always gentle, safe, and sane even with substantial time off. Saddle him and go! No silly business to him. He is as honest as a day is long. We have ridden "Cruz" all over our ranch and used him to gather cattle, doctor calves, sort pairs, check fence, and pony colts. He is a great packer for any level of rider. He will do exactly what you ask of him. He goes where you point him and has no resistance. He is confident alone and nothing bothers this fun gelding. "Cruz" is sired by one of our favorite sires, SPOOKS GOTTA GUN. His quiet mind, willing disposition, gentle nature, and bold look set him apart from the others.

NOTES: This is one flashy guy! "Tulsa" has the prettiest bay roan color with 4 white feet painted across a big thick body and a baby doll head! Stands 15 hands tall. This horse has spent his career as a ranch horse and working in the feed yards. He has a lot of action on a cow. We believe he would be a perfect competitive team or ranch sorting horse. "Tulsa" would also excel in a ranch riding or ranch versatility class. His training and class would set the bar! He has had some outside cattle roped on him. He does well under pressure and could also go on as a rope horse prospect if that was the field a person chose. He has a big fancy stop and electric spins both directions. He is solid in his leads and will comfortably perform a simple lead change. This horse is an athlete and is incredibly quick footed. He would fit best in a performance home under a knowledgeable horseman.

We rode him for 3 years in the Colorado mountains on a wilderness permit checking cattle. He has led pack strings, putting out salt. "Brumby" crosses creeks, goes over dead timber and he can get up or down the side of a mountain and rough country. We have drug calves to the fire, roped cattle outside and pen roped on him. We have roped the heel-o-matic and have been heeling steers on him. This is a very good minded, kind horse that anyone can ride. NOTES: This is 15 hands of fun. We purchased "Shooter" as a weanling and have enjoyed him everyday. He has shown at a few local ranch horse events and the Farmers and Ranchers Futurity. He is extremely broke, can stop, turn around and catch a cow. We rope the breakaway sled on him, and he can really load up and do it. If you're looking for a gelding that is broke, athletic, pretty, smart, extremely gentle and good to be around, be sure to take a look. He has no holes and is ready to go any direction.

NOTES: If you love a big fancy gelding with all the class and style you can put on one, then stop and take notice. This is your horse. "Fever" stands 15.1 and weighs 1200 lbs. He looks like Picasso put all his pieces together. This horse is gorgeous and is also a well rounded and extremely broke ranch horse. He has performed all the basic ranch duties. He is great to rope on outside, he has a good look on a cow and is awesome to sort on in the pens. There are no tricks or gimmicks to "Fever". He has a big heart and an honest, kind nature. Time off is no problem. He stays the same no matter how often you ride him. "Fever" has a huge stop and pretty turnarounds. He is correct in everything from how he carries himself, his training, his looks, all the way to his never ending talent. "Fever" is a rare combination of looks, pedigree and brains. Any person, young or old, will appreciate him and get along well with him.

Golden Nugget (Grade)

NOTES: "Golden Nugget" is a super gentle, all around pony. He has been ridden by all ages. He is really willing to do anything you ask. He has been used around the ranch, hauled to ropings and Jr Rodeos. He is fancy broke and a pretty mover. He looks like a pretty Quarter Horse in pony size. He has great bone and foot. He sells 100% sound.

NOTES: This is a really nice mare that is very easy to get along with. She rides, shoes and loads well and has good feet and no buck. She has been used at the auction barn weekly to pen cattle and has been ridden in the Montana mountains. She has been worked on the flag but also ridden outside and has seen some country. This is a super pretty little mare that is extremely stout and is making a really nice prospect that can go in multiple directions. With her short height and stout build, she could easily make a breakaway or goat horse for youth rodeos. UTD on all vaccinations and dental work. In training with Levi Walchuk.

NOTES: This pony is one of a kind! "Mini Mouse" is owned, trained and ridden by our kids, Kyler and Saylor (3 & 5 yrs old). They take "Mouse" with us everywhere we go. She is no stranger to checking cattle and spring brandings. She has a sweet walk/trot/lope, a very good little stop and the lightest mouth you could imagine making her perfect for not only the middle aged kids but also for the absolute beginners that need one that's easy to maneuver around. "Mouse" is one of those golden ponies that you can turn out anywhere for any amount of time and when you go back to catch her she will not only meet you at the gate but be the same pony she was the last time she was ridden. "Mouse" has been to parades, playdays, rodeos, even to ropings and to the feedyard. She has also been ridden in the Palo Duro Canyon. She crosses water and other obstacles with ease. Dogs, traffic, machinery and even fireworks are everyday life for "Mouse", nothing fazes her. "Mini Mouse" is happy to ride off alone and goes anywhere you ask her to, or she will slow up and let you pony her off another horse for the littlest hands. She's 43 inches tall. Don't miss this rare opportunity to own a pony with so much class and a heart of gold! Your kids will thank you for it later!

NOTES: We raised this horse and he has always been one we really liked. He was super easy to train and wants to please all the time. He will really watch a cow. He has been used the last two years at the auction barn and to work cattle. You can rope anything on him with no issues. He also has been ridden and packed in the Montana mountains and is super easy to shoe, hauls well and backs out of a trailer. He has no buck at all, is gentle enough that anyone can ride him but is plenty of horse to get any job done. In training with Levi Walchuk.

RADIOGRAPH REPOSITORY

An online radiograph repository (the “repository”) will be available for the benefit of owners and buyers. Any radiographs voluntarily submitted to Asteris Keystone Community will be available for viewing online by a buyer’s veterinarian prior to the horse selling. However, the viewing of the radiographs by the buyer’s designated veterinarian does not relieve the buyer of the responsibility to examine horses carefully prior to bidding.

Auctionware, LLC/Triangle Sales will not review radiographs prior to the sale of the horse; makes no representations or warranties of any kind concerning the authenticity, sufficiency, quality, completeness or accuracy of the radiographs (all of which are the responsibility of the owner); and is not responsible or liable for any error, claim or damage as a result of the buyer’s use or reliance on the radiographs.

Paragraph 7, Right Of Return, in the Conditions Of Sale - Terms, Warranties, Buying Procedure and Settlement applies to all horses with or without radiographs.

All images submitted to the repository are the property of the owner.

RADIOGRAPH REPOSITORY TERMS

Participating owners, bidders, buyers and veterinarians agree to the following terms:

All radiographs must be taken within 60 days of the first sale session and must be submitted no later than 5:00 pm CST, 7 days before the first sale session.

Given that horses can and do injure themselves, images may be added to the repository for an “area of concern”, if the original upload has already been accomplished. A corresponding report from the veterinarian is required and the images must be added during the regular submission date range.

Label For The Studies:

Hip Number (as it is in the catalog), Sire, Dam and Owner (consignor as listed in the catalog)

Any radiographs received that do not clearly describe the horse, owner, veterinarian, and date will be discarded.

Owners will be held responsible for associating radiographs with the horse(s). If the horse name is changed in the radiographs knowingly or unknowingly, or if the images have been tampered with, the owner is responsible for any charges and/or damages incurred from a dispute.

Neither Asteris Keystone Community nor Auctionware, LLC/Triangle Sales will be reviewing or screening images for positioning or technique. This is the responsibility of the submitting veterinarian at the time of acquisition.

The following views are recommended:

Both carpi: DLPMO, PLDMO (just off lateral), flexed lateral medial

Both hocks: Just off DP 10 degrees (slight DLPMO), lateral medial, PLDMO

Both stifles: Lateral medial (getting the proximal tibia as well as the trochlear ridges of the femur and patella) and a plantar anterior, as long as the condyles are visible

The following views are suggested:

Both front fetlocks: DP, flexed lateral medial

Both hind fetlocks: DP, standing lateral medial

For horses 2 years and older it is also suggested to have the front feet radiographed 60 degree DP and Skyline.
